The animated alien Nerdlocks of Moron Mountain need a new attraction for their outer space amusement park, so they scheme to kidnap the most popular cartoon characters in the universe:

The Looney Tunes™! Battling for their freedom, the gang challenges the diminutive invaders to a basketball game. But those sneaky aliens steal the talents of the NBA's top players and transform themselves into the monstrously gifted Monstars! With nowhere to turn, our seemingly helpless heroes are forced

to kidnap their own secret weapon: legendary basketball great Michael Jordan!

Get ready to jam comic fantasy that's fun for all ages

Get front row seats for the Looney Tunes™ first feature-length film.

From the "here-raising" antics of Academy Award® winner Bugs Bunny™ (1950, *Knighty-Knight Bugs*) to the despicable doings of Daffy Duck™... from the age-old idiomamus Elmer Fudd™ to the fabulous new flirt Lola Bunny™... you'll see the whole "Tune Squad™" make movie magic in this highly-anticipated video release!

See masterful on-court moves and fun-filled cartoon follies explode off the screen!

Space Jam breaks new ground with an incredible blend of traditional animation, live action, and eye-popping 3-D computer graphics. Watch Jordan get sucked down a golf hole and emerge in cartoon land. Hoop with laughter as Bugs and Daffy venture out into the real world. And see reality and fantasy collide in an incredible center court shoot-out as Michael goes head-to-head with the Monstars.

Thrill to an awe-inspiring line-up of stars!

Jordan makes a razzle-dazzle film debut, side-by-side with today's biggest names. Produced by Ivan Reitman (*Ghostbusters*) and directed by Joe Pytko (*Let It Ride*), Space Jam co-stars Wayne Knight (TV's *Seinfeld*) and showcases all your favorite NBA greats, including Charles Barkley, Patrick Ewing and Larry Bird.
