CROSSROADS 創意商圈

TUCKED BEHIND CEBU IT Park, Crossroads is a small shopping area that's home to some of the city's most creative businesses. Besides the colourful street art, there's plenty to occupy visitors. It's a great place to shop for locally made homewares, furniture, jewellery and accessories, as well as unique souvenirs like postcards from up-and-coming artists. The area is also dotted with chic cafés where you can people-watch while cooling down with an iced coffee. ■

繞過宿霧科技園區，你可發掘後方的 Crossroads 創意商圈。這裡以色彩繽紛的街頭藝術佈置，既是精緻的購物區，亦雲集多間市內最具創意的公司，形式多姿多采。如你對小店別有鍾情，可在這裡搜尋當地製作的生活用品、家具和珠寶首飾，又或是來自藝壇新秀的明信片等獨特手信。你亦可在區內多間別致的咖啡店啣著凍飲乘涼，並順道觀賞路過的潮人。■

OBJECT OF DESIRE 夢寐以求

THESE DAYS EVERYBODY'S strapping an action camera to their heads before free soloing El Capitan. Enter Sony's RX0 II: an ultra-compact camera that is less than 6 centimetres long and weighs just 132 grams. It shoots full 4K video and is waterproof, shockproof and crushproof – although these specs are pretty standard these days. So what sets the RX0 II apart? A flip-up LCD screen that allows you to frame the perfect extreme sports selfie, even as you're halfway up a Yosemite cliff-face. ■

袖珍運動相機大行其道，人們經常往頭上綁著此類型相機，即使要到酋長岩「赤手登峰」亦有備無患。Sony 不久前也推出超輕巧型相機 RX0 II，長度不超過六厘米，重量更只有 132 克，內置漸趨普遍的 4K 錄影、防水、防塵和防撞功能，但新增的 LCD 顯示屏可向上和下調節，乃一大亮點，相信能陪伴旅人上天下海，即使在美國加州優勝美地攀岩中途也可來張自拍。■
