YOU SCREAM. I SCREAM. WE ALL SCREAM FOR EMILY ZECK!

📅 June 23rd, 2017

The sun is out, the swells are pumping and the ice cream is irresistibly mouthwatering... Kick off the first weekend of summer with Emily Zeck's new music video from her latest track, "Two Cents" (Ice Cream Song), which features yours, hers and our favorite **Fit Frozen Desserts**!

We were proud to sponsor this music video, which officially launched this week and showcases Emily's fun and catchy electro-pop beats and her beachy lifestyle. In this song, Emily gives her "Two Cents" about money and ice cream, lyrically making a bold statement to all those who are quick to pass judgment. #hatersgonnahate.

See "That Pineapple Girl" summering it up-- Cruisin' on a vintage, low-rider bike, enjoying the Southern California sunshine, catching some "Pacific Blue" waves, and indulging in low-calorie, lactose-free, delicious **ARCTIC ZERO**... Out of a pineapple, of course! We wouldn't expect anything less from this high-spirited and highly-talented, budding artist who's all about tasting the sweet life!

Without further ado, watch her video now and keep an eye out for our

signature **ARCTIC ZERO** Ice Cream truck...
