

Who We Are

Founded in 1998, Uniforms Direct, Inc. has had the privilege of clothing over 500,000 students and medical professionals in affordable, high-quality uniforms. Nearly 20 years later, we're still passionate about what we do.

Our commitment to the communities in which we work has been recognized twice with national awards for our service to under-served youth. Because we value our schools as partners, we provide uniform solutions that go beyond simply selling them clothes.

Our products include a variety of styles and options for our customers and we tailor some of our services to meet specific customer needs. One popular service is our Mobile School Sales. This service is available for select schools where we sell uniforms on-site, which makes shopping easy and convenient for parents.

Our price discounts make buying from us much more affordable than traditional retail shops. And, we carry well-known, trusted brands such as French Toast, Dickies, and Cherokee.

Since our first uniform sales in 1998, our mission has been consistent: to offer one-stop uniform shopping that is affordable and enjoyable.

We remain committed to providing our customers with quality products and always strive to meet their needs. We've been serving school communities for two decades and look forward to successfully serving them in the decades to come.

comfort that lasts™

Trusted Brands. Reasonably Priced.

We carry brands that are known for their quality. Including French Toast and Galaxy school uniforms, as well as Dickies and Cherokee medical scrubs. We include these as part of our collection because their products are trusted and their standards high.

Partnering with Schools is How We Do Business

We partner with schools to meet their needs. We believe this helps strengthen the school's spirit in the community. By offering programs like our Mobile School Uniform service - onsite sales at schools - we make uniform shopping convenient and affordable for parents and school administrators.
