

NUMBER ONE FOR Asian wedding

THE GRANGE HOTEL

Not very many 5-star establishments identify themselves as an 'Asian wedding venue', but Luxury independent hotel group Grange Hotels introduces its new location, Grange Tower Bridge Hotel, as precisely that. Inspired by the success of Asian weddings at their 5-star Grange St Paul's, Grange City and Grange Holborn, they are now all set to become the number one choice for the cosmopolitan Asian bride and groom.

As you'd expect, size matters. Offering banqueting facilities capable of holding up to a staggering 1,500 guests, the hotel also has 12 fully flexible suites, complemented by generous gallery and foyer areas spread across two floors. The main Trinity Banqueting Hall offers 500sq meters of pillar-free space, which can easily seat up to 600 people.

The venue also offers specialist in-house Indian catering with expert chefs who understand all the many different regional, cultural, religious and dietary needs as required by different Asian clientele. Knowing full well the Asian bride's love for Powerpoint presentations and photo montages during the speeches, not to mention music, all the

banqueting suites come incorporated with state-of-the-art audiovisual equipment, including full range speakers and coloured pin-spot lighting to add that extra ambience to the venue, which also allows you to personalise the venue to your colour specification.

When your guests aren't taking in the beautiful surroundings of Tower Bridge (a great photo opportunity for the happy couple to stroll down), there's plenty in the hotel to keep them entertained throughout the day. Drinking and dining options at the Grange Tower Bridge include a vibrant in-house restaurant and grill room, as well as many bars perfect for the mingling masses. Also, the Ajala spa allows bridal parties and wedding guests to book premium beauty treatments along with signature massages and group pamper days. And the best part is the cost. Grange Hotels Asian Wedding packages start from £39 per person. Now that's what we call a bargain!
