Corporate Connections

You can make a difference in the lives of Georgia's kids

Dear Friends,

As we approach the close of 2025, it's amazing to reflect on the milestones we've achieved, including the one-year anniversary of the Arthur M. Blank Hospital. This has been a year of great progress at Children's Healthcare of Atlanta, all thanks to the unwavering support from visionary community leaders and businesses like yours.

Our corporate supporters have been the backbone of our success, enabling us to secure essential funding for critical programs and initiatives. One of the highlights: \$2.1 million raised during our 95.5 WSB Care-a-Thon. These funds will drive lifesaving research, bolster our fellowship program and expand family support services at the Aflac Cancer and Blood Disorders Center of Children's, profoundly impacting countless lives.

As we embrace the spirit of giving this fall, I invite you to join our dedicated community of supporters committed to transforming the lives of Georgia's children. Whether you choose to sponsor an event, rally your team for volunteer efforts or contribute to our annual fund, your involvement is crucial to our Mission to make kids better today and healthier tomorrow.

As you contemplate your year-end contributions and strategize for the year ahead, I

urge you to consider the impact you can make at Children's. Please don't hesitate to [reach out to me](#) to discuss ways we can partner together.

With gratitude,

Allan Bishop
Director, Corporate Partners
404-785-9698

Join us at these upcoming events benefiting Children's

Spread some Halloween cheer

Buy a Boo sign for a colleague, friend or neighbor and a Children's patient will receive one to display on their hospital room door.

[Buy a Boo →](#)

Support Touchdowns for Children's

Take part in the Peach Bowl Touchdowns for Children's campaign to support the patients at the Aflac Cancer and Blood Disorders Center of Children's. All pledges are matched by the Peach Bowl.
