

The newest
group of **Rise Up**
Leaders in Kenya kick
off our Leadership &
Advocacy Accelerator
training next week

Here are
some of the
key issues
the cohort
will address

Education

Empowering women and girls through education, promoting education equity and inclusion, digital literacy, and removing barriers to education access

Economic Empowerment

Providing women and girls with skills and resources for economic empowerment, entrepreneurship, financial independence, and breaking cycles of poverty

Sexual and Reproductive Health and Rights

Addressing sexual and reproductive health and rights (SRHR) challenges for women and girls, like period poverty, maternal health, and providing equitable access to SRHR services

Gender-Based Violence

Supporting and empowering survivors of gender-based violence (GBV) and addressing and preventing GBV
