

because

“Oh my gosh—this was so delicious.”

“It’s so easy but tastes like it took hours!”

“... my whole family loves this recipe.”

OVER THE YEARS THIS IS WHAT YOU, OUR READERS, HAVE TOLD US about your favorite recipes in *food&family* magazine. The reasons you chose them are the same reasons we love them too: easy, festive, better-for-you, family-pleasing, crowd-pleasing. And of course because they are full of flavor!

But there’s another reason so many recipes topped the charts: They taste like ones you enjoy at your favorite restaurants. Knowing you can make them at home for less definitely makes them winners—and you, smart cooks too!

Our hope is that over time this book’s pages will become splattered and dog-eared, a true sign that these recipes continue to bring enjoyment to you and your family.
