

Convenient Care. Caring Relationships.

Iberia Medical Center-North Campus is Now Open.

Outpatient surgery, lab and imaging services are now available at our North Campus facility. With two convenient locations, we are committed to providing our community with dedicated care and unparalleled customer service. You can rely on us to provide you with quality, patient-centered care, now and into the future.

At IMC, keeping you healthy is our job. Building a relationship with you is our priority.

Your health care. *It's personal.*
