

# WHERE DO YOU WANT **ENGLISH** TO TAKE YOU?

You know what English can do for you. You committed yourself to learning English to achieve a dream, and we congratulate you for that.

## **But can you go even farther with English?**

We've developed a new course using the Global Scale of English Learning Objectives, a globally recognized standard in language education and assessment developed by Pearson, the world's largest education company.

### **Our new course offers:**

- More curriculum at the upper levels for our advanced learners
- New digital tools offering more flexibility with your studies
- More assessments to help you better track you progress
- New online global community where you can make friends and find extra practice opportunities

You went far with English. Now Wall Street English can help you go even farther. Come back now for **(INSERT OFFER)**.
