EXPERIENCE

Sustainability Reporter

Cronkite News D.C Bureau/ Fall 2017

Worked at the largest Arizona news bureau in Washington D.C to produce daily policy driven content about sustainability and environmental issues in Arizona. I worked with multiple mediums focusing on digital publications, while supporting in-house production efforts. Reporter from the Capitol, the Pentagon and surrounding agencies and area.

Reporting Intern

Arizona Capitol Times / Spring 2017

I provided weekly coverage of bills, issues and events at the Arizona State Legislature, including coverage of other State agencies and the Governor's office. I focused on water policy, and developed a relationship with several high-profile water leaders in the Midwestern U.S, while bringing more attention to water issues. Worked alongside industry professionals to effectively navigate coverage of bills, policy issues and political events.

Politics Reporter

The State Press / 2016-2017

Worked on a weekly deadline basis as a politics beat reporter covering student government, state government as it related to Arizona State University and other campus political issues. The State press is a high frequency digital publication that covers ASU and surrounding areas. During the 2016 Presidential Election I covered multiple campaign events, protests and rallies as well as producing voter information materials.

Coursework- Study Abroad

Israel Up Close

Summer 2017

I visited key sites in the state of Israel to learn about conflicts in the region, including the Lebanese, Jordanian and Gaza borders, Kibbutz Nirim, headquarters for the Palestinian Liberation Organization, the Knesset and the Old City. I reporter on several key issues, focusing mostly on the role water plays in the regional conflicts. I was also able to cover the aftermath of a terror attack in a Jewish Settlement.
