

Deep Enough

*how did i fail you?
was my love not deep
enough?
deep enough for
penetration
too deep for conversation
without a condom
there was no hesitation
but when i ask
what games you playin
there was none
what is you sayin?
im saying that the worst
love
is the love
unreciprocated
lauryl Hill had a song
she talked about that
thing
but i just wanted
something
i could deal with the pain
take you back again and
again*

*i wanted you
but you were sometimey
sometimes we clicked
sometimes we sexed
sometimes we fucked
sometimes we made love
sometimes we got high
sometimes we..
sometimey..
the worst kind of love is
“sometimey”
but i thought my love was
deep enough
deep enough for you to
love me back
deep enough..
your love wasn't deep
enough
but i was deep enough
deep enough for
penetration
too deep for conversation..*
