i'm rooting for everybody black
but when i say that
why other races go on attack?
in a nation built on my ancestors back,
can you really blame me for
rooting for everybody black?

melanin on movie screens
melanin in magazines
Virgil's legacy with Louis V
tell Kendrick there's money falling from the trees

Issa Rae made a statement
and it started a movement
be quick on your feet
chase your dreams
& don't lose em

the time to be a black creative is now
root for everyone
even those from your hometown.
crabs in a bucket are dead
the community was starving
& it's time to be fed
