

# A DRIVE THROUGH LIVERMORE VALLEY

Spend a day exploring Livermore Valley's bucolic wine country by car—far from the throngs of thirsty tourists and traffic jams you might find in Napa. Picturesque roads? Check. Easy-to-navigate region? You bet. An intimate and relaxing wine-tasting experience? Livermore Valley's got it all. Bring along your sweetheart or some friends for a leisurely day of visiting wineries. Make sure to leave plenty of room in the car to stock up on all your favorite vintages—straight from the source.

## 11:00 A.M. THE WINEMAKERS STUDIO AT WENTE VINEYARDS

Renowned for its world-class wines, the iconic Wente Vineyards also offers interactive workshops at The Winemakers Studio on Tesla Road. In this chic space, educators walk guests through a tasting experience featuring studio-exclusive wines. But the real fun

takes place in the backroom, where you can play vintner for a day with the Winemakers Blending Experience class. Take a seat at the wooden community table, where an instructor guides you through samples of wine from seven different estate blocks, evaluating their aroma, flavor, body, and acidity. Then, blend, label, and cork your own bottle to take home.

**EXTRA CREDIT:** Continue your viticultural education by signing up for the Wine Aroma Discovery seminar, Black Glass Blind Tasting class, or Wine and Cheese Pairing class. [wentevineyards.com](http://wentevineyards.com), [wentewinemakers.com](http://wentewinemakers.com).

## 1:00 P.M. MURRIETA'S WELL

This sophisticated estate has an intriguing history that pays homage to Joaquin Murrieta, a bandito who discovered an artesian well here in the 1800s. Murrieta's Well also honors the vision of Louis Mel, who purchased the land in 1884 and planted cuttings from the famed Château d'Yquem and Château Margaux vineyards in France.

(The descendants of those vines still grow on the estate today.) The recently remodeled tasting room preserves the winery's history, displaying original timber beams and historic photos. Savor estate-sourced wines, and munch on flatbreads made by the in-house culinary team for a late lunch.

**BUY:** The Spur 2013. This blend of Petite Sirah and Bordeaux boasts aromas of black cherry, oak, and spice. [murrietastwell.com](http://murrietastwell.com).

## 3:00 P.M. 3 STEVES WINERY

Drive about four miles to this popular winery owned by a trio of friends who, yes, are all named Steve. Perched on a hillside with 360-degree views of Livermore Valley, the boutique winery offers award-winning wines that are as delightful as the Steves behind the bar. There's a wall of San Francisco 49ers paraphernalia to peruse between tastes and a cozy patio where you can sit back and drink in the view.

**BUY:** The 2014 Interino. This robust blend of Cabernet, Carmenère, Malbec, and Syrah incorporates grapes from Chile's Cachapoal Valley. [3steveswinery.com](http://3steveswinery.com).

## 4:30 P.M. ECKERT ESTATE WINERY/ARTISAN SPIRITS DISTILLERY

Sneak in one last tasting at this spot tucked away in an unassuming building, in a court off South Vasco Road. Inside, you'll be treated to a unique tasting experience: Eckert Estate is the only Livermore winery that doubles as a distillery. In addition to award-winning blends and lesser-known varietals, there's an array of spirits available for sampling, including vodka, gin, brandy, and absinthe.

**BUY:** The orange spice brandy. This sweet liqueur, created by infusing orange peel and mulling spices (cinnamon, allspice, and cloves) in neutral spirits, makes a perfect holiday treat. The modern decor invites guests to sit back and indulge. Reservations are recommended. [uncleyusvineyard.com](http://uncleyusvineyard.com).
