PET EMERGENCY KIT

Your pets are part of your family, right?

That's why April is Pet First-Aid Awareness Month. If (and when) an emergency occurs, you need to be ready! But, how? By assembling your very own pet emergency kit! Here's everything you need to create the ultimate first-aid kit for your furry friends.

- Bottled water can help pets stay hydrated when they're nauseous.
- For pets with sensitive stomachs, stock up on some wet food varieties.
- Soothe skin irritations, minor abrasions and flea bites with hydrocortisone spray or medicated antiseptic spray.
- Calm anxious pets by distracting them with their favorite treats or a soft toy.
- Wrap wounds and control bleeding with clean towels, gauze and liquid bandage spray.
- An oversized pet bed or pet throw blanket will provide any pet with the perfect place to recuperate.
- Get your pet to the vet faster by always having a spare leash, collar and carrier on hand.

So, what are you waiting for? Get your pet emergency kit in gear today! You can find everything you need to keep your pets safe and secure at Menards®!
