All items are while supplies last. First come first serve. Shipping and handling charges will be calculated based on your order total during the checkout process. Subject to change.

\$69⁹⁹
each

NEW! Chippewa Valley Farm Supply*

• 9"W x 12.75"L x 6-3/8"H SKU# 279-3389

Prebuilt and ready to go! Stop by and load up your pickup truck at the Chippewa Valley Farm Supply! This prelit and prebuilt O gauge building rests atop a spacious yet sturdy platform that is concealed in a bed of grass-like texture. With the inclusion of a grain elevator, four detailed figurines and Jack the German Shepherd, this model effortlessly captures the charm and spirit of American farmlands. And, to add even more realism to your train display, this building also features an exhaust fan that rotates when plugged in! The figurines and signage are brought to life with beautiful illumination from multiple brightly glowing LED lights. A strip of LED lights can be found under the eaves on the front side and additional LED yard lights supply light to the three remaining sides.

\$69⁹⁹
each

Hobby Shop*

• 5"W x 10-1/2"L x 6"H SKU# 279-2677

Prebuilt and ready to go! This beautiful, hand-painted wood building has everything! Adding to its authenticity, the interior of the store brightly lights up, allowing you to take in every interior detail of this charming shop including tiny train sets and a friendly shopkeeper. The exterior is decorated with multiple pieces of vintage advertising from Lionel and Menards. Both outdoor signs in the front are lit and animated with multiple lighting patterns. Figurines included are a father and daughter, an enthusiastic boy who is gazing through the window and a shopkeeper.

\$29⁹⁹
each

Moe's Garage*

• 5-1/2"W x 10-1/2"L x 4"H SKU# 279-7849

Prebuilt and ready to go! Moe's Garage is made of resin and features hand-painted details and vintage advertising. Eye-catching details include stacked rows of "brick" surrounding all sides and a layered "steel" roof. The roof is adorned with vintage signs including "Hudson" and "Studebaker Service Station" and both ends are lit with bright-glowing LED lights.

\$79⁹⁹
each**Fire-Damaged Engine House***

• 10"W x 16-1/2"L x 6-1/2"H SKU# 279-3092

Prebuilt and ready to go! This depiction of a charred engine house is realistically painted and weathered to look as if it had recently been up in flames. 2 workers look on in bewilderment as the debris glows with red LED lights, simulating burning embers. Still standing within the rubble is a beautifully weathered locomotive engine highlighted by wonderful details such as fallen trusses, beams and burnt barrels and Jack the German Shepherd

**\$99⁹⁹**
each**Herman's German Sauerkraut Factory***

• 8"W x 18"L x 7"H SKU# 279-3073

Prebuilt and ready to go! With the addition of many interesting details, this building captures the look and feel of a functioning factory. Discover how sauerkraut is made by examining the eight realistic-looking, sauerkraut vats. Two of the vats are even propped open so you can see the creation process for yourself. Two workers, a variety of barrels and even Jack the German Shepherd can be seen throughout the display, adding a bit of hometown charm to any model train set. A blinking red warning light brings even more attention to the building as the "Herman's Genuine German Sauerkraut" sign enhances it with character by lighting up in multiple patterns.

**\$99⁹⁹**
each**Menards Power & Light***

• 9"W x 17"L x 6"H SKU# 279-3051

Prebuilt and ready to go! This modern-looking power plant is complete with plenty of details to go around. The interior is lit by multiple LED lights and includes workers, toolboxes, lockers and a generator. The exterior includes 6 bushes and 2 trees as well as a fenced-in transformer with 2 red LED lights. This building is highlighted by 2 lit and animated "Harvey Hottwatts" and "Menards Power & Light" signs.

Engine and FasTrack
not included.**\$69⁹⁹**
each**Locomotive Maintenance Shed***

• 11"W x 21-1/2"L x 6-1/2"H SKU# 279-2291

Prebuilt and ready to go! This beautifully hand-painted maintenance shed is constructed of wood and resin. It features a lighted "The Milwaukee Road" sign that offers multiple patterns of lighting effects. The exterior is lit by (2) LED yard lights while the interior is illuminated from the ceiling by (6) LED lights. Additional details include: (2) workers, (2) realistic looking trees, (3) shrubs, (4) working doors and Jack the German Shepherd.

**\$29⁹⁹**
each**Military Field Hospital***

• 5-1/2"W x 10-1/2"L x 4"H SKU# 279-2674

Prebuilt and ready to go! The Military Field Hospital is made of resin and has eye-catching details such as the stacked rows of "cement blocks" and a layered "steel" roof. This structure is hand painted in Northern European camouflage and decorated with US Military decals and warning signs. Two brightly-glowing LED lights can also be found on both ends.

\$69⁹⁹
each**30-Sign Locomotive Maintenance Shed***

• 11"W x 21-1/2"L x 6-1/2"H SKU# 279-3069

Prebuilt and ready to go! This beautifully hand-painted maintenance shed is constructed of wood and resin. It features a lighted back-lit sign that allows you to decorate your building with any of the 30 railroad signs included! The exterior is lit by (2) LED yard lights while the interior is illuminated from the ceiling by (6) LED lights. Additional details include: (2) workers, (2) realistic looking trees, (3) shrubs, (4) working doors and Jack the German Shepherd.

**\$109**
each**Dakota™ Cabinet Factory***

• 10"W x 18"L x 9"H SKU# 279-2678

Prebuilt and ready to go! The Dakota Cabinet Factory is beautifully hand painted and weathered. It is constructed of wood and stands sturdily on a rigid platform. This O scale building is full of unsurpassed detail such as a realistic-looking coal heap and sawdust on the rooftops. Other details include a storage shed, Jack the German Shepherd, 2 trees and 3 workers. This cabinet factory features a lit and animated Sherwin Williams Paint sign that has a steady-on function, as well as a sequence lighting pattern. The exterior is also illuminated by two amber-colored LED lights.

**\$99⁹⁹**
each**Menards Seed & Feed***

• 11-3/4"W x 12-3/4"L x 12"H SKU# 279-0838

Prebuilt and ready to go! Constructed of resin and hand painted, the Seed & Feed has all sorts of added details including vintage advertising. This structure has (2) LED exterior wall lights and (1) interior LED elevator room light that blinks red. In addition, you'll see an O Gauge feed truck with working headlights and (4) figurines that are also included, along with Jack the German Shepherd who completes this wonderful building.

**\$69⁹⁹**
each**CNW Locomotive Maintenance Shed***

• 11"W x 21-1/2"L x 6-1/2"H SKU# 279-2675

Prebuilt and ready to go! This beautifully hand-painted maintenance shed is constructed of wood and resin. It features a lighted "Chicago and North Western Railway" sign that offers multiple patterns of lighting effects. The exterior is lit by (2) LED yard lights while the interior is illuminated from the ceiling by (6) LED lights. Additional details include: (2) workers, (2) realistic looking trees, (3) shrubs, (4) working doors and Jack the German Shepherd.

Buildings marked with an (*) require a standard 4.5 Volt power wall wart (sold separately). These buildings feature simple "plug and play" connections and are compatible with most transformers used for Lemax® or Department 56® buildings.

NEW! 6-Piece WWII Commemorative Boxcars

These limited edition boxcars are only being sold in a set of 6.
SKU# 279-3101

Honor our armed services, past and present, with these commemorative WWII Boxcars! Meticulously detailed, each military boxcar features artwork specific to WWII, which includes iconic "nose art" murals that adorned the nose of bomber planes throughout WWII. Each set includes detailed portraits of "Rosie the Riveter", "Memphis Belle", "Liberty Belle", "Yankee Lady", "Aluminum Overcast" and "D-Day Doll."

Each boxcar is painted in Military Green and features realistic details, which include sliding doors, a chassis with premium metal trucks and operating couplers. Also, each boxcar contains special "peel back graphics." Each graphic shows a depiction of various WWII related loads. "Danger" signs can also be seen on both sides of the boxcar.
