

Make Mornings More Memorable With Disney•Pixar Toy Story 4 Products

Congratulations! You earned new summer products in the April sales promotion, which includes the exclusive Disney•Pixar Toy Story 4 Breakfast Set. With just a few ingredients and these great new products, you can start your family's day in the most magical way!

Go live on both your business and your team Facebook pages to share your excitement for this special collection with your customers and other consultants. Show off your new products at upcoming parties to get more bookings and boost your sales this summer. And remember to tell your customers they can start purchasing all the new summer products on June 1.

Want more information about your brand-new products? Check out Consultant's Corner > Training & Resources > Product Training to find FABS, training videos, and more.

Please inspect all items upon receipt. Contact the Solution Center at (888) OUR-CHEF (687-2433) or solution_center@pamperedchef.com if you have questions about this shipment.
