at SM NORTH EDSA

More than bonding with loved ones over gifts and noche buena, the holiday season becomes a well-deserved break from the stress of everyday life. With Christmas just around the corner, it's time to raise your holiday spirits and enjoy good food, fun, and festivities at SM City North EDSA's newly opened wing, North Towers.

Create a holiday to remember as you strike a pose at the artsy Instagram-worthy wall at Art Walk and join the fuzzy fun as you try out the We Bare Bears experience.

After the festivities, get a taste of classic Filipino goodness with Hukad's Lechon Belly de Cebu or Kangkong and Tuyo Pasta from Ka Tunying's Cafe. You can also opt for international flavors with a mouthwatering plate of Bahn Mi at Bawal's Vietnamese Kitchen, House of Lasagna's Beef Lasagna, and Rib Eye Steak from Roberto's.

ART WALK
Bring your squad to the North Towers Art Walk and strike a pose in the Instagram worthy walls created by 15 of the country's most sought-after letterists, painters, calligraphers, muralists, and digital artists!
