GROUND RULES

THERE ARE NO RULES.

 @brandieclaborn

A dark, moody photograph of a smartphone lying on a keyboard. The phone's screen is on, showing a Google search bar, the time 22:35, and various weather and app icons. A magnifying glass is superimposed over the letter 'O' in the word 'STOLEN', which is part of the main title. The lens of the magnifying glass shows binary code (0010, 010100, 01110). Below the title, a red horizontal line spans the width of the image. In the bottom left corner, a fingerprint scanner is visible, with a glowing, ethereal fingerprint being scanned.

STOLEN DATA

IT'S ONLY THE BEGINNING.
