

Don't settle for a  
one-size-fits-all  
knee replacement.

Demand an implant  
that's built for  
you—and only you.

Join Avista Adventist Hospital and Michael P. Wertz, MD, orthopedic surgeon, to learn how 3D technology is transforming knee replacements.

Dr. Wertz will describe how you can benefit from a customized implant that is specifically designed and built to fit your knee.

**Wednesday, November 16 | 7-8 pm**

**Church Ranch Neighborhood Health Center**

7233 Church Ranch Blvd., Westminster, CO 80021

### Meet Dr. Wertz

A board certified orthopedic surgeon, Dr. Wertz has over 20 years of experience performing thousands of knee replacement surgeries. He treats every patient as an individual, deserving of a personalized treatment plan that matches their individual goals.
