

MOUNT EVANS
HOME HEALTH CARE & HOSPICE

KRISTEN BAILEY
Registered Nurse

"Being on the front line of patient care has been scary at times, but I have never had second thoughts about providing the same quality care that I was giving before the pandemic."

EVERY DOLLAR MAKES AN IMPACT...

\$500

Pays for a week of COVID-19 testing that we are providing to our care team and health care partners in the mountain community.

\$250

Funds a physical therapy, occupational therapy or speech language pathology visit for a patient recovering from COVID-19.

\$75

Provides a clinician with personal protective equipment for five patient visits.

"WILL YOU CARE FOR ME
IF I'M DIAGNOSED WITH COVID-19?"

YES.

*We have never turned anyone away
for care and we never will.*

"COVID-19 has changed the way all health care providers practice. Enter home health: we take the care to the patients. Our ability to care for patients in their homes decreases the risk they would take by leaving their homes and keeps them on track on the road to recovery."

Our Mount Evans family has an unwavering commitment to provide care, comfort, and rehabilitation to all who need it in the mountain community,

BUT WE NEED YOUR HELP!
