

**TITAN**  
print

we can plan it,  
produce it,  
execute it,  
and deliver.

What better way to reach busy, on-the-go college students than through brilliant, out-of-home media strategically placed throughout your campus? Titan, the nation's largest privately held, full service media company, is an industry leader in providing unique, turnkey solutions for all OOH advertising and media needs. Titan Print - our one-stop-shop for all of your print production needs - is able to effectively reach busy college students by supplying high impact, memorable, and cost-efficient media space. From buses to kiosks to banners and more, an ad will never be out of eyesight as students explore the college campus. Whether you are promoting the university itself, campus events, and student activities, or allowing brands to connect with students, we can deliver the valuable media solutions that your university deserves. Let us visit your campus and show you the magic of unique and effective media possibilities. Contact a Titan Print representative today!

### Titan can provide the following products and services:

- Complete a comprehensive field survey to review each ideal location, acquire accurate measurements, determine exact securing methodologies, and finalize installation logistics.
- Create production specifications for each location.
- Print banners on all types of materials from vinyl to fabric.
- Fabricate and install semi-permanent hardware systems for changeable tension banner displays.
- Install the initial execution of graphics.
- Future graphic change outs - including the removal of existing banners, proper storage of previous campaign banners, and installation of new banners.
