Benefits:

Diverse companies bring a wide of array of experience, skills and perspectives for all those who work within the organization. When it comes to key skill sets, diverse teams win at problem solving, innovation, creativity and strategic thinking. When employees see themselves represented in the company and external customers/clientele see the same it's a win-win. Essentially, diverse and inclusive workforces offer the unique opportunity to not only build up diverse, qualified teams, but to give your organization the competitive advantage in an increasingly global world.

1.5 CECs for NAA certifications and meets LEAD requirement.
