The Pet Grooming Event That's a Cut Above the Rest A Multifaceted Event for All Grooming Professionals

GROOM'D is where inherent talent meets technique, where passion transforms into profitability — and where professional groomers of all levels find what they need to stand out to customers. Powered by World Pet Association, the oldest and most respected non-profit organization in the pet industry, this national event focuses exclusively on groomers and their current needs. By offering hands-on technical training, seminars covering business best practices, several of North America's largest grooming competitions, access to new products and services and beloved networking opportunities that bring the grooming community together, GROOM'D serves as the ultimate one-stop resource for groomers who want to tap into their creativity — as well as their full potential.

Join other passionate groomers (and potential partners) from across the country at GROOM'D 2023.

Experience the event that's *shear* fun, March 9-12, 2023.
