# WHERE TOMORROW'S TOP TRENDS Come to Light

Learn from the brightest minds in lighting design, gain a clear view of what lies ahead and get the information you need to fully step into the limelight — all while working on your tan. IALD Enlighten Americas 2020 is a boutique conference created by lighting designers, for lighting designers and held in sunny Palm Springs. Join your community here and foster connections under the moonlight of the California sky; hear leading experts highlight key future trends in engineering, art, architecture and sustainability; and relight your creative spirit in an environment unlike any other.
