

Kresto kwik-wipes®

Skin Cleansing

Hand-cleansing towels for the gentle removal of heavy-duty dirt and soils.

Description

Kresto kwik-wipes® are moist, textured towels for heavy-duty skin cleansing without water. Also ideal for wiping grease and dirt from tools and surfaces.

Kresto kwik-wipes® are made from polypropylene and moistened with a CARB Compliant cleansing solution. Thanks to its slightly rough structure, the wipe features consistent and reliable cleansing power for even ground-in dirt without the use of abrasive additives.

Kresto kwik-wipes® clean quickly and thoroughly, without unduly stressing the skin.

Areas of Application

For fast cleansing and pre-cleansing after contact with heavy-duty soils such as waste mineral and lubricating oils, grease, graphite, metallic dust and carbon black.

For work situations where water is not available. Ideal for drivers, breakdown services, assembly and maintenance personnel, utility workers, etc.
