

**Kresto** <sup>TM</sup> GT

The logo for 'Kresto GT' is centered in the middle of the image. The word 'Kresto' is in a large, bold, red sans-serif font with a slight 3D effect. A small red star is positioned above the letter 'o'. To the right of 'Kresto' is the 'GT' in a smaller, blue, italicized sans-serif font with a metallic, reflective texture.

THE DRIVING FORCE FOR CLEAN HANDS

### DID YOU KNOW?

PUMICE IS HARD, SHARP ROCK THAT CAN CAUSE MICRO-ABRASIONS ON THE SKIN, CAUSING MORE IRRITATION. YOU MAY BE CAUSING HARM WITH THE PRODUCTS YOU USE NOW.

KrestoGT™ products are powerful hand cleaners formulated for professionals in the automotive aftermarket. Engineered to deliver high performance, KrestoGT removes the toughest soils that professionals come in contact with every day. KrestoGT products effectively remove heavy grease, grime, oil, adhesives, tar and paint - yet are finely tuned to be easy on the hands.

All formulations have been tested and found to be skin compatible, better for the environment, and effective at cutting through the heavy soils found in the automotive aftermarket.

### Naturally Better:

- The cornmeal and walnut shell powder scrubbers that KrestoGT uses are smooth, biodegradable and won't clog drains.
- KrestoGT doesn't use sharp pumice or sand as scrubbing agents, because they can lead to micro-abrasions on skin.

### Truth about Solvents

Many hand cleaners contain petroleum distillates or kerosene, which are by-products of crude oil. It may work, however, it is toxic. With continued use, it can enter the bloodstream and, over time, build up in internal organs. KrestoGT does not use any petroleum distillates.

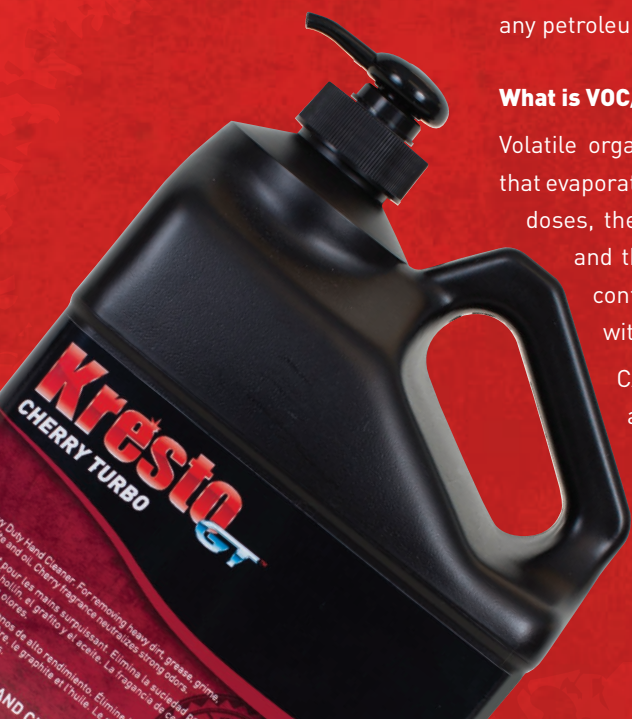

### What is VOC/CARB Compliant?

Volatile organic compounds (VOCs) are organic compounds that evaporate and can easily become vapors or gases. In heavy doses, these vapors can be toxic and harmful to humans and the environment. Many heavy duty hand cleaners contain high levels of solvent that are not compliant with VOC guidelines.

CARB (California Air Resources Board) limits the amount of harmful levels of VOC's in products and Proposition 65, in California, lists chemicals known to cause cancer. All KrestoGT products are VOC/CARB compliant and do not contain any ingredients listed in Proposition 65.

### TOUGH, NOT ROUGH

NO HARSH CHEMICALS USED.  
KrestoGT IS PROVEN TO  
REMOVE MORE HEAVY SOILS  
THAN OTHER LEADING  
PRODUCTS ON  
THE MARKET.

### KrestoGT Orange Boost

Ideal for quickly removing heavy grease, grime, graphite and oil from hands. The powerful, VOC/CARB compliant cleaner uses natural, biodegradable cornmeal scrubbers that won't clog drains, so the only thing it leaves behind is a fresh orange scent.

### KrestoGT Cherry Turbo

A professional-grade, biodegradable cleaner with an energizing cherry scent that blasts through grease, heavy grime, graphite and oil without clogging drains. Fresh cherry scent neutralizes petroleum odor on the hands and is VOC compliant.

### KrestoGT Paint Shop

This specialized formula utilizes natural, biodegradable walnut shell scrubbers to safely and effectively remove oil-based paints, lacquers, adhesives, tar and asphalt, making it an ideal replacement for thinners and other technical solvents. It is also VOC/CARB Compliant.

### Delivery Methods:

#### Pumps

- Our portable pump tops are available in gallon or 1/2 gallon sizes.

#### Tubes

- Portable, tool box size 250ml tubes are convenient for any shop.

#### Wipes

- Portable towels are perfect for fast and effective cleaning away from the sink. Available in a tough scrubber or smooth textured wipe.

#### Wall Dispenser

- Works with all KrestoGT 2L cartridges and is guaranteed for life.
