

Each 90-minute workshop centers on a specific project. Students will get started with the basic skills necessary for each project. Then, with guidance, encouragement, and support, students will be able to complete the project their own way. Personal art process is respected. All skill levels are welcome! Just bring your curiosity and willingness to play! With small class sizes—only 2-6 people per workshop, you will enjoy personal attention and guidance.

Gina is a trained artist who believes that the power of art-making belongs to everybody! She has been teaching art for 29 years and has her Masters degree in Art Education. She is a recipient of The Collier County Teacher of the Year award. Her passion has always been in the arts, as well as instilling the importance of art education.
