#### **Staff Writer**

Afterglow

September 2021-Now

- Collaborated with five-person team in writing articles, producing 20+ pieces of content at the end of the Fall 2021 semester
- Wrote about current music events to produce content for the publication, writing 4 separate pieces
- Researched the latest music news to make sure that timely content is posted for the website
- Developed a piece for the publication's series "The Feminine Musique," which eventually became one of the site's most searched articles
- Promoted the publication's content using Twitter and Instagram to increase traffic to the website

### Reporter

ACCENT Student Media

October 2020-February 2021

- Researched current events at Austin Community College during the COVID-19 pandemic
- Organized multiple interviews with university staff, students, and experts to produce multiple stories regarding the COVID-19 pandemic and its effect on school life
- Wrote advice articles to guide college student in their studies at Austin Community College
- Scripted ACCENT's semesterly "Riverbat Reflection," which was posted on ACCENT's YouTube channel
- Edited the "Riverbat Reflection," using multiple editing program including Adobe Premiere
- Produced three unique pieces of content for the publication during my time there

### **Social Media Intern**

AdClick Media

July 2017-September 2017

- Oversaw the company Facebook page, increasing traffic to their website by 10% during my time there
- Filmed and edited videos for AdClick's YouTube channel
- Wrote daily blog posts about new developments in company, specifically promoting their PLR services
- Edited webpages, adding over 100+ products to the company website by the end of my internship
- Analyzed engagement using Facebook, YouTube, and WordPress statistics
