GROUP TRAVEL NEWS

Your Group, Your Way

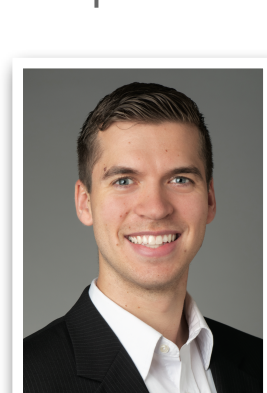

Dear [Title] [Last],

Welcome to the first edition of a travel newsletter from the endorsed travel provider for NYSUT members—Overseas Adventure Travel (O.A.T.) and Grand Circle Travel! We have nearly 50 years of experience in leading small group adventures for curious, life-long learners. This newsletter will highlight our top adventures, give you an introduction to your Group Sales Manager, and show the ways you can save as a NYSUT member.

Travel has returned, and we couldn't be more excited. This July, our first departures in more than 14 months set off for Iceland, followed by departures to our U.S. National Parks, Alaska, Italy, and other Mediterranean itineraries. We're now back traveling on more than 20 O.A.T. and Grand Circle trips.

While many more travelers are joining us in 2021, others have their sights set for 2022 and 2023. Overall we have 84,000 travelers with reservations as well as 800 Groups. Nearly 100 NYSUT members have made their travel plans for 2022 and 2023 with O.A.T. and Grand Circle so far.

We hope this newsletter inspires you to explore the world again soon—whether you join us as a NYSUT Group member, Group Leader, or an independent traveler.

Warm regards,

Andrew Haas
Director of Group Sales

Travel Tip: Be flexible! Travel is a beautiful way to learn and understand the world. Many unexpected experiences happen during travel, so be open and flexible. Take every unexpected turn and make the best out of it. Sometimes the best moments and stories come from these experiences we least expect in the moment. If you seek unique experiences that will immerse you in a foreign culture, join your NYSUT Members who already travel with us at O.A.T. and Grand Circle Travel.
