INSPIRED WALLS

EXPRESS YOURSELF

A good quote can be a bite-size expression of your personality. Pinned to your wall, it can be a daily reminder to work toward your goals—or to let loose more often.

We've designed a series of fun prints around some of our favorite quotes. See one that resonates with you? We'll send it to you for free.

There's something for everybody here at Champlain College. We value differences and celebrate expressions of your unique self. Champlain is the perfect place to explore who you are—and find friends who wouldn't change that for the world.

While you're choosing a print, we invite you to explore the wide variety of interests that occupy our students, from on-campus clubs to off-campus hangout spots. These are just a few examples of the ways our students find fulfillment, pursue their passions, and discover more about themselves than they ever knew.
