

13 Ways To Profit During the Pandemic

The pandemic has caused devastating, financial losses & lots of folks are wondering how they are going to continue to take care of their families through it. Thinking outside of each box regarding ways to earn income is a good start. Do not let Covid-19 get you down so remain optimistic. There is some light at the end of the tunnel. Here are some ways that you can earn income online and off.

Sell Your Old Belongings

You know that you have some stuff around the house that you do not want anymore so sell it to others on the Internet. Take a tour throughout your place while writing down things that you want to get rid of and even throw in some collectibles. Then relocate them to one main hub which can be a shed, an attic, a cellar, or room that is unoccupied.

Categorize your belongings then photograph each item to post on the sites eBay, Etsy, Mercari, Oddle, Listia, Varagesale, Amazon, Bonanza, iOffer, eBid, and/or sell.com.

Use Some of Your Skills To Pay the Bills

Think about all of the skills that you have and choose some to make money. If you can iron clothes very good, you can start an ironing business and charge less than cleaners but still earn a great income. Ask your neighbors if you could iron their clothes and build up your venture from there.

Can you make jewelry, pottery, sculptures, and clothes? If so, then let your neighbors, family members, friends, and associates know. Can you cook and bake well? Send inbox messages to folks and they could become your clients.

Create some informative business cards, let your followers know about your new business through your social media accounts, post flyers on a variety of bulletin boards, make some mobile applications, place ads, make some decals, make banners and embed them on high-traffic sites, make widgets & podcasts, promote on Zoom &/or other meeting applications, design your own website, walk up to strangers, and more. You can also make special pins on Pinterest related to your business & even promote those.

Make Videos On YouTube

You can also market your skills on YouTube and get really creative & innovative with what you present. When it comes to YouTube, utilize more of your special and unique skills to get the viewers interested and subscribing to your channel. You never know which video will go viral but just keep creating them and that is the master-key.

Work Remotely For Some Companies

The website genuinejobs.com have quite a mix of remote jobs that pays well. They cover opportunities regarding the writing, the designing, researching, accounting, coding, billing, tutoring, customer service including virtual assisting, data entry, & more. You can apply for what you have experience in and what you believe that you can do. There really is no limit to your capabilities so keep going strong.

Check out the sites allstayathome.com, weworkremotely.com, angel.co, nodesk.com, givegetgigs.com, realwaystoearnmoneyonline.com, ratracerebellion.com, remote.co, and mediabistro.com to help you build up your options.

Start A Daycare

An abundant of parents are home now & they need someone to watch their kids at times due to them being busy working remotely, running errands, going to appointments, and/or doing household chores. So you can get a daycare going and help your community. Make sure that the children wear masks and have yours on also.

Insure that you all wash your hands for 20 seconds or more & rinse their hands for 20 seconds or more before you all put your hands on your faces and before eating. Practicing social distancing as well.

Be A Juror Online

How about being an online juror? There are some websites that you can go to and become one and you will be helping the attorneys, plus you get to learn about some real cases. The lawyer Christopher Bagby started the company named eJury in 1999 & appreciates being able to get an eclectic selection of people participating in the focus group. He knows that a mix of jurors from different backgrounds are essential to cases.

One of his top goals with eJury is to get the cases tested ahead of the trials. So a case submission will get placed on the site with privacy in mind and the jurors are the only ones who will have access to it. There are some other fantastic websites like eJury & they are onlineverdict.com, virtualjury.com, jurytalk.com, trialjurors.com, resolutionresearch.com, and jurytest.com. You can register to become a live juror on the website signupdirect.com.

Deliver Food

You can use your vehicle to bring food to the tables of the individuals, couples, & families because some restaurants and stores are still open during the pandemic. It will cause them to smile more often & give them more hope for the future.

Get chances to go to the so helpful websites instacart.com, grubhub.com, chownow.com, ubereats.com, freshdirect.com, iers.skipthedishes.com, dinnerly.com, gopuff.com, postmates.com, goldbelly.com, Door Dash, seamless.com, delivery.com, & wholefoodsmarket.com and there are mobile application versions of those.

Transport School Supplies To Teachers

The teachers need some things from the schools often to keep their online classes going awesome. You can contact the schools via inbox and ask if you can help deliver the supplies to the teachers. Doing that will be another heartwarming way to give back to your community and other ones in the vicinity.

Make Your Own Internet Courses

You have plenty of knowledge so you can assist others with what you know. You'll be able to shine in your own way & really make your course in-depth & fun for the enrollees. Just think of the possibilities for courses that you can come up with. So let your imagination run wild then enter some notes on your phone. Formulate a plan for your 1st course then set it up. The site learnworlds.com have effective tools that will be beneficial.

Renting Out Some Space On Your Property

Some gatherings and events still occur with the COVID-19, safety precautions in place & some of the ones in charge of those outings want other spots to throw those festivities. Since that is case, you can advertise spaces of your property. It could be a huge workshop or other outbuilding, your backyard or front, an attic, and/or a basement.

You can also check the bulletin boards to find out if anybody posted ads about needing a space. Your family who does not live with you might even rent space from you or they might know someone who would want to. Let your friends know about what you willing to rent out too. Before you know it, you will be earning good money and laughing when you view your account balance.

Earn Income Reading Books

Reading books can be so relaxing & some websites will pay you to read books & write honest reviews afterwards. You will have an array of books to select from that will have you getting through literature while taking you to contrasting worlds; then back.

Go to dog-earedreviews.com, getabstract.com, onlinebookclub.org, netgallery.com, kirkusreviews.com, anysubject.com, theusreview.com, bakerpublishinggroup.com, & writefulbooks.com. You can also visit publishersweekly.com, bookbrowse.com, reedsy.com, newpages.com, and booklistonline.com.

Become A House-Sitter

Some folks are still able to travel at times & they'll need some people to watch their homes while they are gone. You can really rake in the dough caretaking plus you get to live in some houses that you have dreamed of. There will even be some pet-sitting opportunities that come with the jobs. Get chances to visit the sites trustedhousesitter.com, luxuryhousesitting.com, housesittersamerica.com, mindmyhouse.com, housecarers.com, and nomador.com.

Teach Dancing and Aerobics Online

When it comes to dancing, almost any movements with your arms, hands, legs, & head can be practiced & taught. You don't have to follow others to do & teach the latest dance steps. You can teach the weird moves that you created when you were alone and in your zone. Those carefree moments are the times when more of your creativity, goofiness, uniqueness, rareness, and inventiveness come into play.

A plethora of people want to learn refreshing, odd moves that stray from the normal and I know that for a fact because I taught dance class; on the dance floor with my made-up moves that plenty of folks truly wanted to learn. Yes, they actually asked me to teach them and they would bring some of the ones who they came to the club, bar, and/or lounge with.

So you can instruct people through the sites [Zoom](https://zoom.us) and [Google Meet](https://meet.google.com) and have a good time while you are doing it plus making money. You can get some aerobics classes going too so the attendees will get some great workouts that will help them mentally, emotionally, psychologically, and physically.

Conclusion

So selling what you do not want anymore will generate income. So will using some of your skills to help others, developing videos and marketing those effectively, getting remote work, conducting childcare, online jury duty, delivering food and school supplies, and coming up with your own courses.

Renting out the big spaces, reading books, house-sitting, and being a dance instructor will help get your account filled again & through COVID-19 too. There is hope & your future is bright so get to researching and find out what is best for you.
