# Tailored solutions to meet the needs of today's small businesses.

Our streamlined options flex for more complete coverage.

Company BOP 2.0 covers the ins and outs of small business – even in-home offices. Choose from a simple set of options and add or subtract as needed.

## Company BOP 2.0 includes:

**Business Property** Protect buildings, furnishings, equipment and computers, as well as personal belongings used in business, in-home office equipment and supplies.

**Valuable Records** Recover or replace records or work products damaged by a covered cause of loss.

**Business Income and Extra Expense** Covers income lost because of a covered loss and any reasonable expense a business might incur to get up and running again.

**General Liability** Claims made against a business for accidental injury or property damage, including premises liability.

## Specialized endorsements provide enhanced protection

Complex or growing businesses may need more coverage. Ensure they're adequately protected and add on a **Company Power Pac<sup>SM</sup>** suite of endorsements to their BOP 2.0 policy. Specialized suites of endorsements – tailored to meet the particular needs of specific industries – are also available.

**Power Pac<sup>SM</sup>** Add higher limits and coverage features with a competitively priced package, starting at under \$70.

**Power Pac Premier<sup>SM</sup>** Ensure more robust protection with the ultimate flexibility to increase coverage limits as business evolves.
