WORK EXPERIENCE

Reporter

The Arena
2024 - Present

As a reporter for The Arena, I am responsible for producing one to two daily news stories about South Carolina and occasionally national politics. I also write longer stories and opinion pieces about national and state political events and politicians.

Intern

Watershed Consulting Group.
2023-2024

I have done research to assist with businesses, campaigns, and non-profits that we assist with as well as internal communications for the firm and external communications for our clients.

News Editor

The Daily Gamecock
2023-2024

I edited a variety of news stories for our website, news magazine and daily newsletter. I am also responsible for writing at least two long-form stories a semester. As the summer news editor, I wrote a weekly story as well as edited all news section stories

Editor-in-Chief

The Johnsonian
2022-2023

I managed my staff, wrote at least one story a week, copyedited all weekly stories, designed the weekly newspaper as well as assisted with paper distribution and digital uploads of stories and PDF's of all issues.
