

Celebrating Julie Henningfield

As a writer in the Anthem Creative Studio, you have shown time after time by your efforts that you are not only a dedicated partner, but someone that can be trusted to provide excellent creative effort, despite increased workload. This isn't ideal, and we will move through this busier time - however, I have to say THANK YOU for continuing to hang in there and be a champion on my team. I APPRECIATE YOU!

~Tricia
