POST TEN:

GOT YOU COVERED, BABE!

GLAMARAMA's shade is no joke! (wink)

We've got 24-hour coverage in 40, (yes, FORTY!), different shades to match every skintone and all the in-betweens.

Our formula is mixed with a vitamin e super serum that acts as a primer, too! No oily days here, only that dewy glow you've been trying to find in a clean beauty brand. You can never go wrong with #VitaminVibrancy.

We're here, mamas! It's time to throw out the goop and mismatched foundations. It's time to throw shade.

HASHTAGS TO USE:

POST ELEVEN:

SO MUCH LUSH IN A SINGLE BRUSH

Introducing our new kabuki, the lush brush.

*Our no.9 kabuki brush was our best selling beauty tool before and it's back with a vengeance.
Ready to throw shade all over your face and set your beautiful skin.*

*Start your cart with premium mink fibers that feel like baby angels kissing your face as you
swipe on your base.*

Hit the link in our bio to shop now, mamas!

POST TWELVE:

*Does your skin look tired and expired?
Are you looking for a new skincare routine that only gets better by using a supplemental beauty strategy? You've come to the right place!*

With our #VitaminVibrancy skincare line you not only get that dewy glow that so many are looking for, you'll be shining inside and out with vitamin capsules specifically engineered to enhance results when used with our skincare and beauty line!

When you purchase a GLAMARAMA product you're not just getting one thing, you're getting a chance to have an intersectional experience with our whole line!

All it takes is one product to change and blow your mind.
