# OVERVIEW

We want to work with your chapter to make your members the best dressed on campus this recruitment by participating in Presley Cross's Pop Up Shop: College Tour. Step into rush week with a fresh wardrobe of vintage and thrifted style bundles that will make your chapter stand apart from the rest.

We partner with notable brands and influencers to curate custom looks tailored to your chapter's individual style as well as your rush week themes. Our influencers are thrilled to open up their closets and personal specifically to your sorority, so you can shop unique styles, designer pieces, and items that you won't find anywhere else.

There will be something for everyone as we focus on providing your chapter with coordinating yet unique looks that will make your members shine.
