Check out the list of speakers we just added

Join us at our hybrid summit, streamed LIVE from Rome and Cairo, to meet the tech powerhouses, valiant founders, and investors rethinking what **'back to normal'** really means.

From the investment powerhouses such as 500 Global to blockchain masterminds, we're bringing together the leaders reshaping the global economy.

Amal Dokhan

Partner, 500 Global MENA.

Amal Dokhan is a seasoned professional with experience in startup investments, corporate innovation, and consulting in the MENA region, South Africa and the U.S. Prior to joining 500 Global, Ms. Dokhan was the CEO of GEN SAUDI and Managing Director of Babson Global Center for Entrepreneurial Leadership.
