We proudly represented our more than 22,000 teammates at the New York Stock Exchange (NYSE) this week as we rang The Closing Bell ahead of our 2026 Investor & Analyst Conference.

Our time in New York was an opportunity to share the strength of our business, the progress we've made and the opportunities ahead.

Teammates from across our brands joined us to represent the values, commitment and service that drive our business every day. The dedication of our teammates to customers, one another and the communities we serve is what makes our company special.

Earlier this week we hosted our final investor event of the year, a breakfast with sell-side analysts at the New York Stock Exchange. We took the opportunity to highlight our exceptional leadership team, spend time with our sell-side analyst partners and celebrate a year of tremendous progress.

Our financial performance has been a hallmark of our company with the investment community for decades. In recent years, we've been on a modernization journey to further enhance our solid financial position, and we're energized by the opportunities ahead as we continue to improve and grow.

Thank you to our 20,000+ teammates for consistently embodying the dimensions of the Rollins Way—Heroic Impact, Essential Together, Be Remarkable—in everything they do.

As we prepare to celebrate Independence Day, Rollins extends our sincere wishes for a happy Fourth of July to our teammates, customers and the communities we serve. This year's celebration is especially meaningful as our nation commemorates 250 years of independence, offering an opportunity to celebrate our history, reflect on the values that unite us and enjoy time with family and friends. We hope your holiday weekend is filled with celebration, connection and lasting memories. Thank you for all you do!

This Memorial Day, we remember and honor the brave service members who made the ultimate sacrifice in service to our country. Their courage, dedication and selflessness will never be forgotten.

As we reflect on their commitment, let's pause in gratitude for those who gave everything in defense of our freedoms and for the families who carry their legacy forward.
