ABOUT THE BLOGGER

It would be best to tell your brand's story and personal passions in this portion of your media kit. It is an excellent opportunity for viewers to get to know you as a creator and your brand's vision. Geaux Queen is committed to ensuring that your brand media kit is in your taste and will work to update your goals and achievements promptly. It is your time to shine, so come with it to make your dream happen, Queen!

ABOUT THE BLOG

In this portion of your media kit, discuss your brand's vision. What is your story? How did you come up with the branding concept? What are your future goals? Who is your audience? Answering these questions will open many doors for how Geaux Queen will market and promote your brand to viewers.

MARKETING & PROMOTION

As a podcaster or brand collaborator of Geaux Queen Media, we will provide your viewers and promotional partners with various ways to work with your brand. Our Geaux Queen Media Team will work with you on price negotiations for brand deals, subscriptions, merchandise sales, and more in this section of your media kit. We will focus on what marketing strategies best work for you based on your brand. However, you will spend most of your free time discussing branding prices. So, we encourage you to make sure that you come up with marketing strategies that work for you and your brand's vision.

In this portion, you may offer your clients subscription deals, collaboration offers, media specials, and package deals with your brand. Geaux Queen will assist all creators with price negotiations on media and content to ensure they adhere to platform requirements. However, our team allows creators free reign with marketing and brand promotion as your company grows.
