## Sitetectonix Pte Ltd is now **STX Landscape Architects**

We are proud to announce that on the occasion of our 21st anniversary we undertook a rebranding exercise. With a broadened range of expertise and an expanded geographic reach, the brand refresh communicates our new firm.

*I started Sitetectonix with literally nothing, except 'What Ifs' - 'What If I dared'; 'What If I failed'. And then, 'What If', eventually became a hope and a dream to strive for.*

Helen Smith-Yeo, Principal and Founder

We believe this evolved identity will better represent our purpose and the breadth and depth of the work we do. However, our new voice which still retains the essence of all that we value, and reflects our unwavering commitment towards creating and implementing designs that are memorable, timeless, and seamlessly integrated.

Our responsive, tablet and mobile-friendly website, [www.stxla.com](http://www.stxla.com), will increase STX's web presence and effectively reach current and prospective clients.

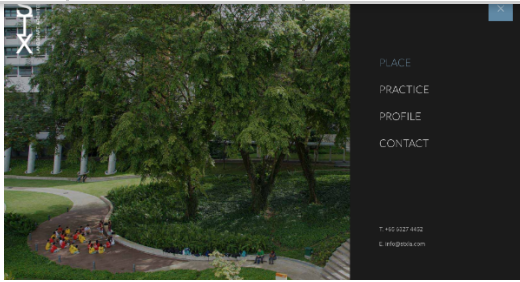

The rebrand also comes at a time where we introduce our next generation of leaders with the promotion of 4 new Directors, Yeo Seow Nan, Alfred Lee, Wan Shyrell Zaydy and Deric Seow who have all been with the firm for a decade and more. New blood in leadership roles will enhance and further strengthen us.

*The past 21 years has anchored a strong believe that we have what it takes; the talent, the desire, the maturity, and the confidence to be a competitive player in the premier leagues. The event was the first step in that direction.*

Sherman Stave, Principal

**Neither our level of creativity; nor intellect; nor our passion towards creating sustainable, inclusive and dynamic spaces will change.** We bring, as we always have brought, talent, hardwork, dedication and integrity to all our projects.

It was a truly memorable night, with a great turn out of friends to  
**CELEBRATE** our new chapter.

We **thank** all our clients, partners and friends who have walked together with us all these years in trust, and who have made us better and we hope you will continue to be with us as we grow.
