Delivering Hope for Israel's Children and Families

Hadassah Associates have helped make the 360 Degrees of Healing, The Full Circle Campaign to reimagine the iconic Round Building an unquestionable success. But that was just a start.

360 Degrees of Healing is also about Delivering Hope for Israel's children, their mothers, fathers and families, and the Associates can play an essential role in making this phase of the campaign a success as well.

With the Associates' help in the Delivering Hope phase, Hadassah:

- will be able to keep up with the demands of an ever-expanding patient base, drawing from Hadassah's nearly 15,000 births each year at Hadassah Hospital Ein Kerem and Hadassah Hospital Mount Scopus, and through the Rady Mother and Child Center;
- keep the hearts of Israel's most vulnerable patients beating strong in the expanded Pediatric Cardiac Critical Care Unit; and

- assure that Israel's children and adolescents being cared for at the new Pediatric Emergency Center at Hadassah Mt. Scopus not only remain alive through medical emergencies but leave the hospital fully able to thrive.

Particularly because of Hadassah's expanding patient base, more equipment, more staff time and more upkeep for every component of a busy, expanding healthcare organization will be required. Our support is critical in making sure Hadassah can keep up with these demands, and we are being counted on to help make this a permanent reality for the families of Israel and the world beyond.
