

 UJA PROFESSIONAL WOMEN LIONS

MISSION TO KRAKOW JEWISH CULTURE FESTIVAL

JOIN US

Wednesday, June 22 - Wednesday June 29, 2022

We know you miss our in-person missions. We do too. Our hope is to be boarding a plane this spring and heading to Poland, where exciting things are happening.

A Jewish revival is thriving in Poland. Experience it with us, accompanied by brilliant scholar and Eastern Europe historian Rabbi Michael Paley.

Hear the music. Explore the arts and sites. Taste the cuisine. Meet the people. See firsthand why Poland is once again the cradle of Jewish life. **UJA Professional Women Lion's mission to Krakow and Warsaw will take you where Jewish culture lives and breathes.** This is Poland at its best.

Join us to:

- **Celebrate traditional and modern Jewish culture at Krakow's Jewish Cultural Festival,** where thousands of people fill the Jewish Quarter for concerts, exhibitions, dancing, lectures, and more
- **Enjoy exclusive access to dignitaries** such as the chief rabbi and the U.S. consul general and female leaders in parliament, business, education, the arts, and the Jewish community
- Learn about centuries of Jewish history at **POLIN Museum of the History of Polish Jews in Warsaw**
- **Tour Auschwitz** and **visit with Holocaust survivors on International Holocaust Survivors Day**
