Reach new heights with UJA NYC Lions!

Join us for a **thrilling ride up (and up and up) to the top of SUMMIT One Vanderbilt, one of the city's newest and hottest attractions, via its all-glass Ascent elevator.** We'll climb sky high -- over 1,200 feet up -- and take in the breathtaking view.

Then we'll head to Wolf & Lamb for lunch, where we can catch up with friends old and new.

Plus, we'll hear about UJA's humanitarian response to the war in Ukraine, as well as our ongoing Covid recovery efforts.
