With a new voting system, an unusually crowded field, and an earlier June date, this year's New York City Democratic primary is very different.

Before casting your first-ever ranked-choice ballot, join UJA-Federation and our nonprofit partners for a Jewish community forum to get to know the leading mayoral candidates:

- Eric Adams
- Shaun Donovan
- Kathryn Garcia
- Ray McGuire
- Scott Stringer
- Maya Wiley
- Andrew Yang

In a conversation led by Eric S. Goldstein, UJA CEO, and Merryl H. Tisch, UJA Executive Committee member and Chair of the SUNY Board of Trustees, candidates will have the opportunity to share their visions for rebuilding New York City.
