

Lenovo Campus Computing Program for

Smart Learning for a Smarter Future

Lenovo drives modern learning with a full suite of reliable devices powered by the latest Intel processors, durable accessories, and stunning visuals—designed to create a borderless campus without compromising security. So, level-up studying and relaxing with all the Lenovo tech you need, from 360-degree rotating laptops to noise cancelling earbuds and portable monitors.

Featured Tech for Campus Life

Lenovo offers a full portfolio of products for higher education. For tech tailored to your field of study, visit

Next-Level Laptops

Power up your day in class or in the library with devices like the **Lenovo ThinkPad T14 Gen 4**, built on the Intel vPro® platform with up to 13th Gen Intel® Core™ i7 processors. This PC is designed to help you get more done, faster with rapid WiFi, top-notch security, and epic battery life.

Brilliant Visuals

Need more screen space to tackle that big project? Lenovo visuals, like **ThinkVision portable monitors**, offer the crystal-clear screen real estate you need to get the job done, complete with a durable sleeve for safe travel across campus.

Game-Changing Accessories

Whether you're in class or at the dorms, **Lenovo accessories** change the game. Choose from wireless mice, noise cancelling headphones, power banks, gaming backpacks, and more to make learning—and relaxing—easier than ever.

Powerful Workstations

Engineered for power and performance, Lenovo mobile workstations like **ThinkPad P1 Gen 5** with Intel® Core™ i7 processors, pack the punch needed to pursue your STEM, AEC, gaming, or animation major. Crunch massive data points and handle intense rendering applications with ease, from anywhere.

Student Discounts and Quick Ship

Save on learning solutions and services with Lenovo and Our Quick Ship program ensures free shipment from pre-stocked inventory, so you can get the tech you need, when you need it.
