This past weekend, [Excision](#) presented his three-day virtual festival, [Couch Lands](#), which included complete sets from [Lost Lands 2019](#). The EDM community took a trip down "Dubstep Disneyland" memory lane into the land of the lost. Talk about feeling nostalgic, as rave fam's from all over virtually raved together. Little did we know that the "Post Virtual Festival Depression" can hit just as deep as IRL.

Thankfully, Excision surprised his fans with a special announcement moments before the stream ended on Sunday night. A whole [new series of Couch Lands](#) is coming our way soon. The man really goes above and beyond expectations always leaving fans speechless.

Couch Lands

The [new series](#) of [Couch Lands](#) is set to premiere in early May. The exact date is TBA so be sure to subscribe to the [Lost Lands Twitch channel](#) for updates. This time, the series of [Couch Lands](#) is doing something a little different. Couch Lands roster

Last weekend's [Livestream](#) had an incredible turnout. Hundreds of thousands of people were streaming the channel having the best time in quarantine thus far. Just think how crazy the next series of [Couch Lands](#) is going to be. We know that nothing can compare to the real deal and the void these festivals fill, but the EDM community is doing the most to keep the vibes lifted.

For the next [Livestream](#), get creative and have a set up going. Hang up some LEDs, bring out the pashmina, make Kandi, peers, and most importantly if you have a rail, break that sucker down.

As for [Lost Lands 2020](#), it is still set to take place September 25 – 27th, at Legend Valley, Ohio.

Keep your X up fellow headbangers we'll get through this!
