CloZee released her EP Neon Jungle this past summer and it was nothing short of a musical masterpiece. There are truly no ways to describe CloZee's sound, her music makes you feel in ways you never felt before. While we have had the time to immerse ourselves in Neon Jungle, CloZee fires back by enlisting 10 dynamic artists to remix her worldly sounds.

Neon Jungle Remixes

CloZee is admired for her ability to dissolve the geographic and regional barriers that exist in this community. Now, hand-picking artists to reimagine her own tracks, she breathes brand new life into her already outstanding second studio album.

Kicking things off

is Of The Trees with his remix of 'Perfect'. A stripped-back fusion of tribal bass, Of The Trees gives a unique taste of what is yet to come from the remixes. Lane 8 lends his impressive hand to the titular track, 'Neon Jungle'. Bouncy and bright, Lane 8 adds his signature melodic house flare to CloZee's album namesake. Following is Emancipator's lush remix of CloZee & 9 Theory's 'Nuages'.

Frequent collaborator

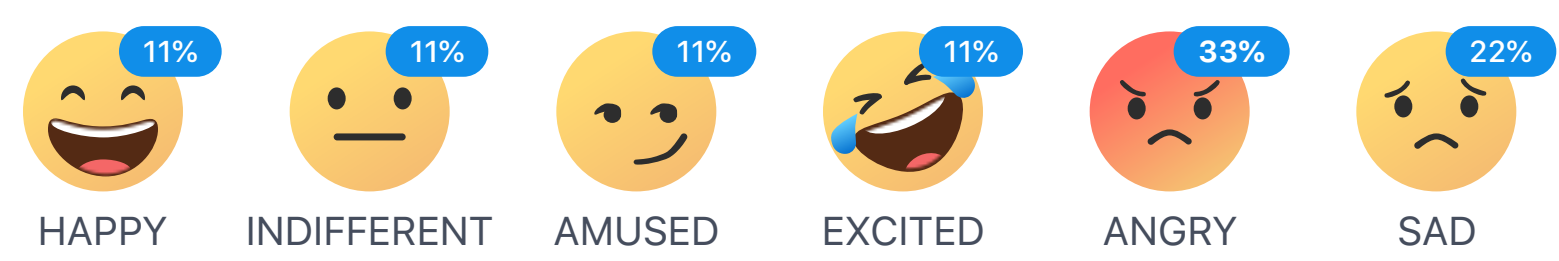

Opiuo adds heavy midtempo bass to 'Heya,' a wonky triumph saturated with nothing but the best CloZee's bass-heavy counterpart. Up next 'Amazonia' sees its serene remix from il:lo, adding nuanced flare to the elegant track. Rome In Silver takes his unique drum patterns and fluttering kick to bring a funky edge to 'Winter Is Coming,' before Enamour delivers a sweltering progressive take on 'Air' ft. Sauvane.

Wrapping up the journey through the remixes

are Tripp St and FullyMaxxed, with their respective remixes of 'Long Live The Chill' ft. Sir Bishop and 'Mirage.' Tripp St juxtaposes soft lyricism with bass-boosted soundscapes, the signature of the mysterious producer. FullyMaxxed takes a rhythmic spin on 'Mirage,' perfectly rounding out the Neon Jungle Remixes.

"Couldn't be more stoked to have this amazing lineup of friends and artists remixing 'Neon Jungle.' The variety of styles is what I was looking for the most while picking the remixers, and they all did such a fantastic job!" - CloZee
