### Weekly Top 10: Zeds Dead X Yookie, Sully, Galdive

On Jul 28, 2020

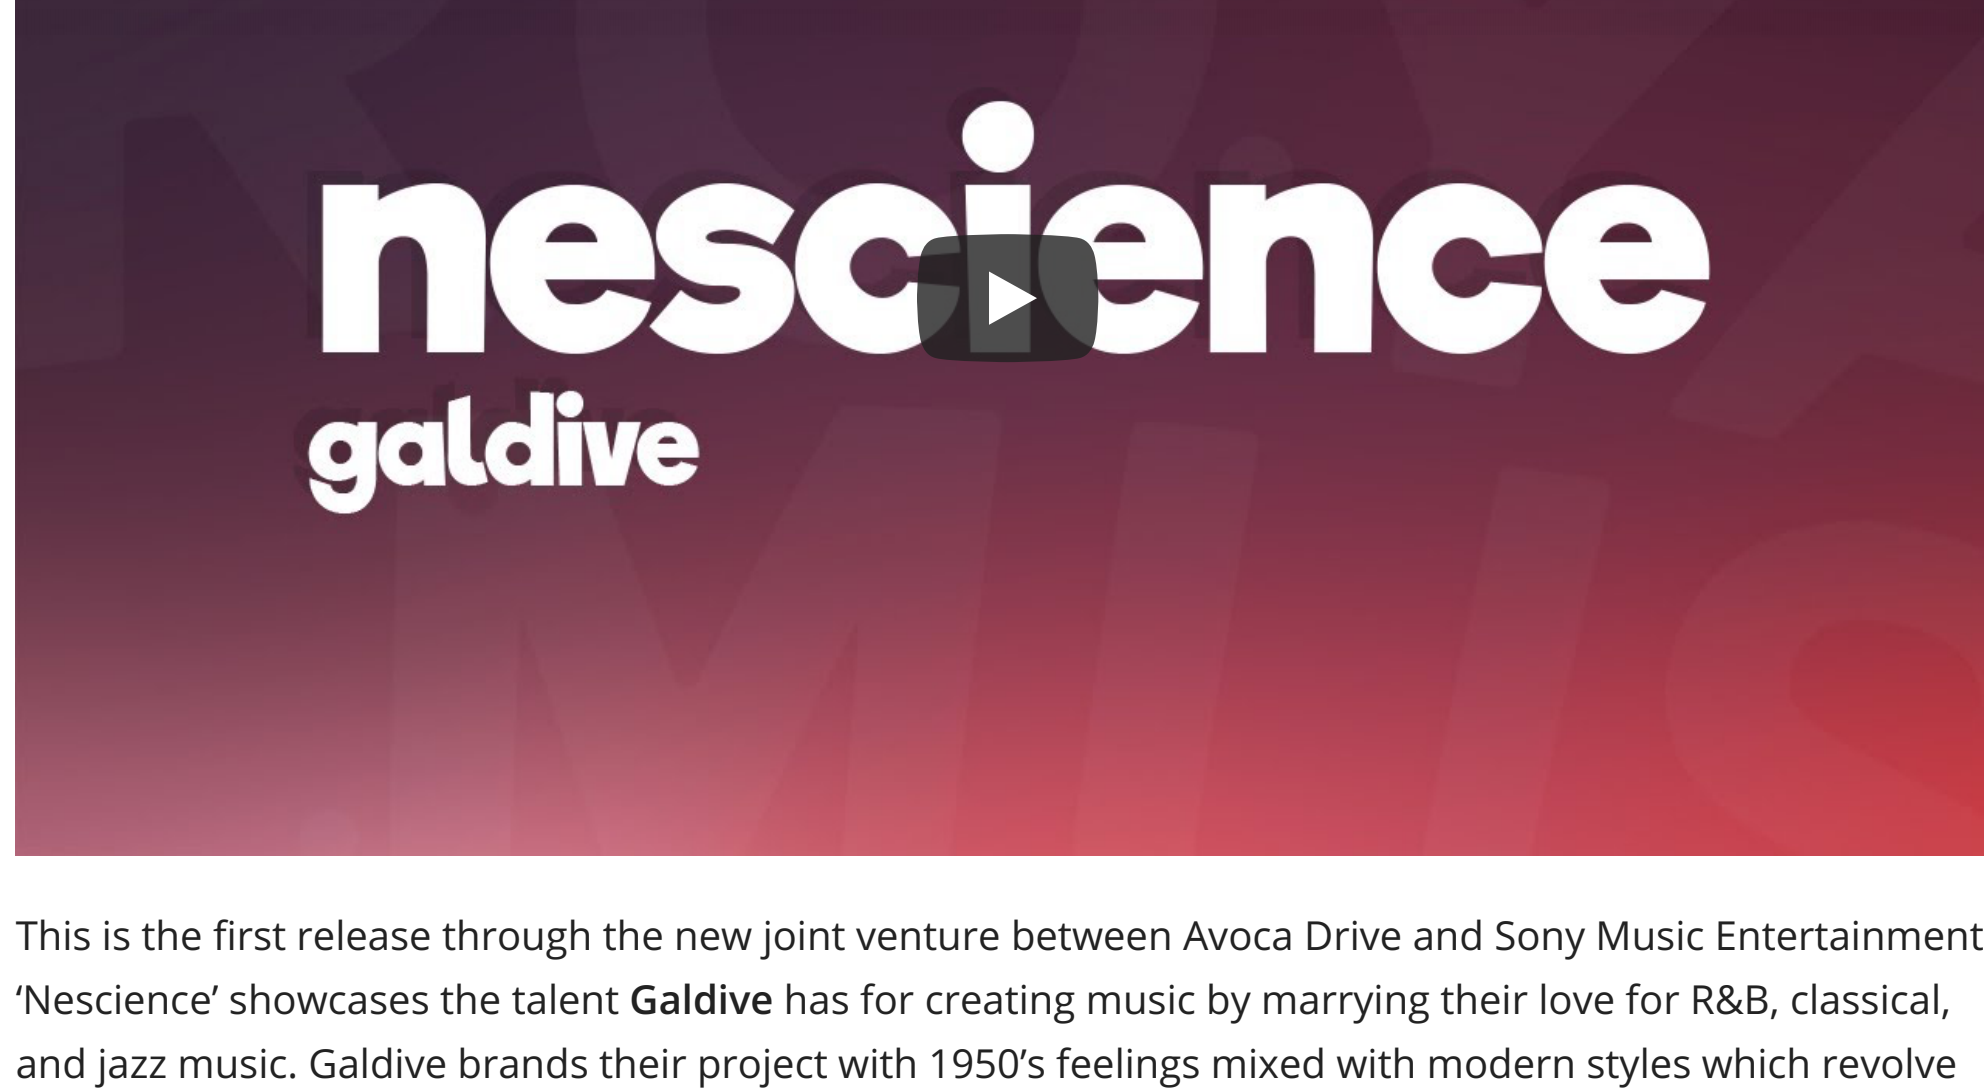

Mix 247 EDM is back with our Weekly Top 10 Mix Picks that we are feeling each week. Follow our July playlist to check out what we have on our rotation! Some of our favorites this week? 'Ruff' from Zeds Dead x Yookie, 'Snake Shot' from Borgore x Benda, and 'Duck Hummus' from Sully. From the latest releases and throwbacks, tune in here to see what we are listening to this week.

#### 1. 'Ruff' - Zeds Dead x Yookie

Being featured on the "We Are Deadbeats Vol. 4" Deluxe version, this insane collab was long-awaited by all headbangers. The iconic duos really took it to another level. You'll definitely need a solid pair of headphones or a good sound system to get the full experience for this one. The second drop is just downright filthy!

#### 2. 'Nescience' - Galdive

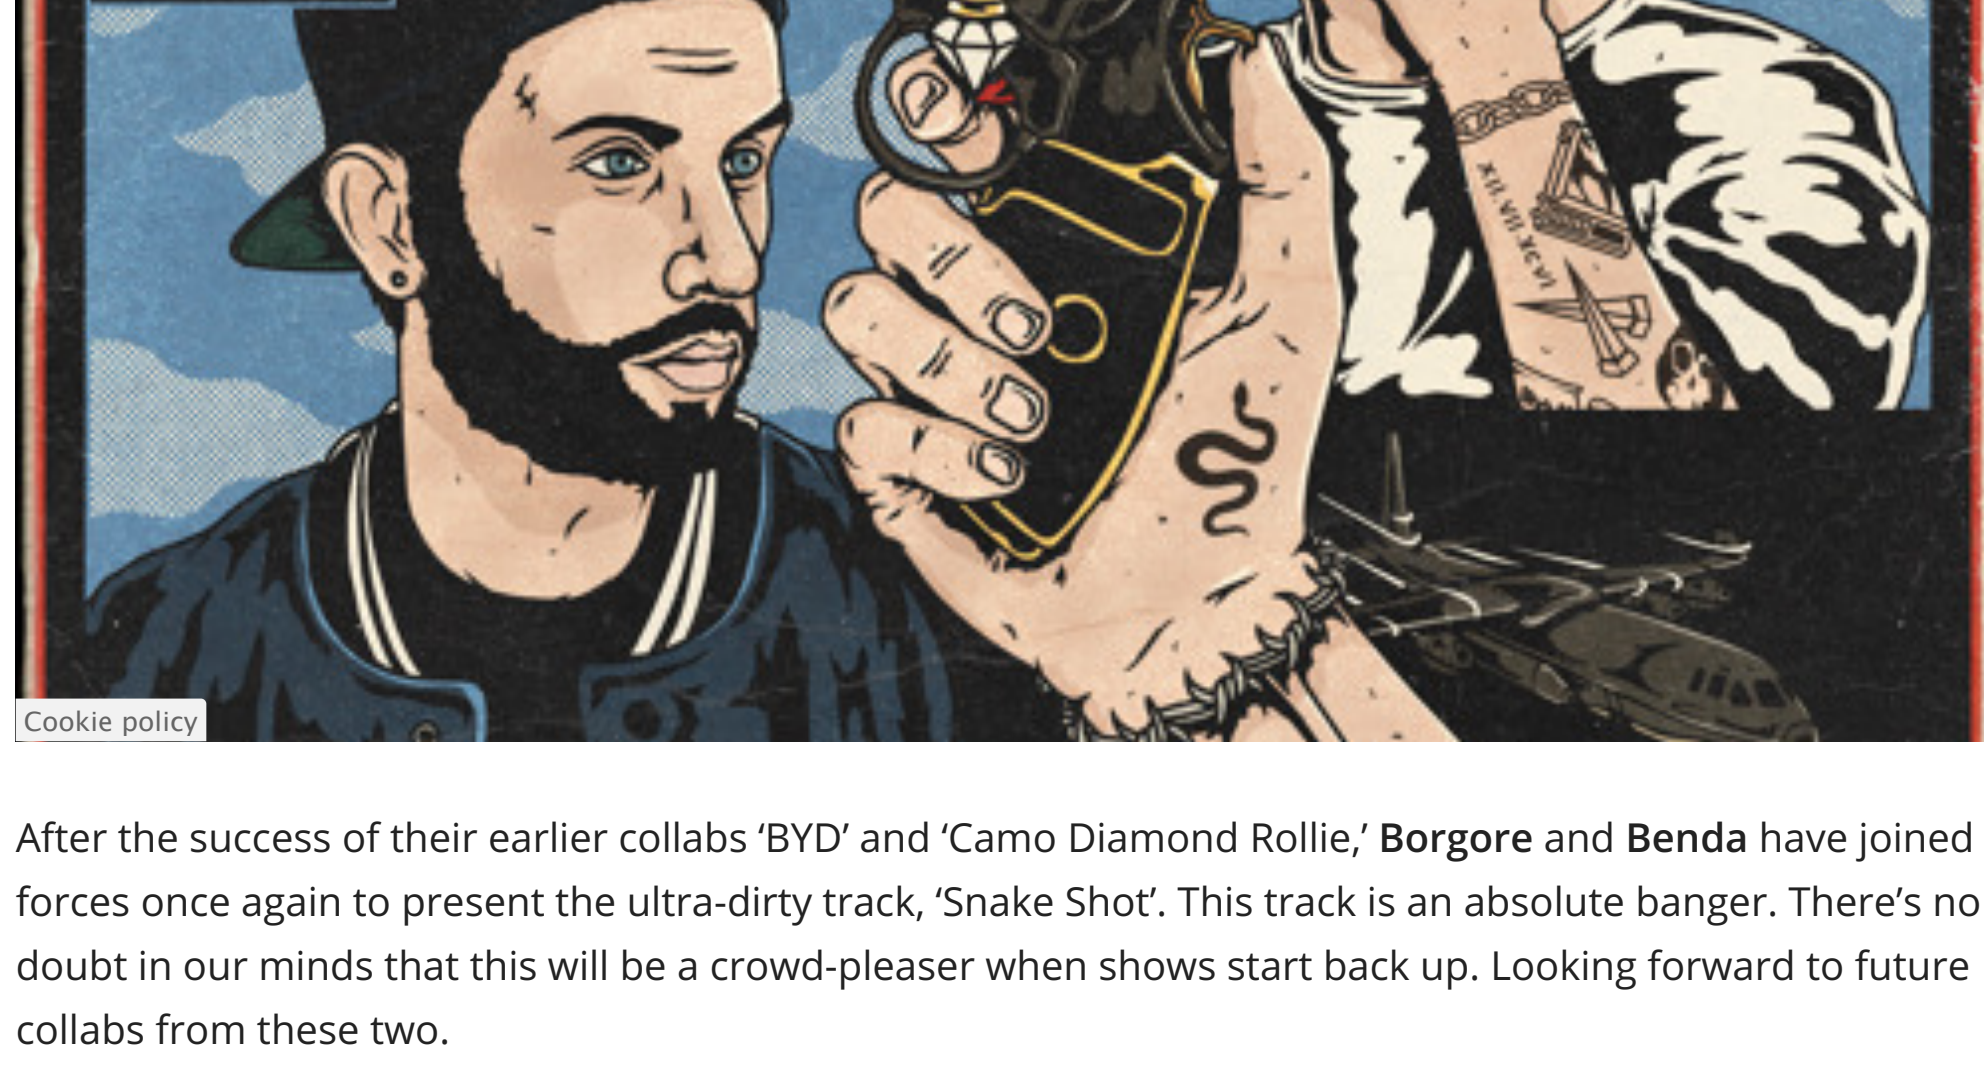

This is the first release through the new joint venture between Avoca Drive and Sony Music Entertainment. 'Nescience' showcases the talent Galdive has for creating music by marrying their love for R&B, classical, and jazz music. Galdive brands their project with 1950's feelings mixed with modern styles which revolve around high fashion and Expressionism / Modern Art paintings. Having already racked up over 10 million combined streams on 'Cloud' and 'SAM', 'Nescience' is the perfect follow up song from this incredibly creative duo. The track is just under four minutes of stunning-ness!

#### 3. 'Duck Hummus' - Sully

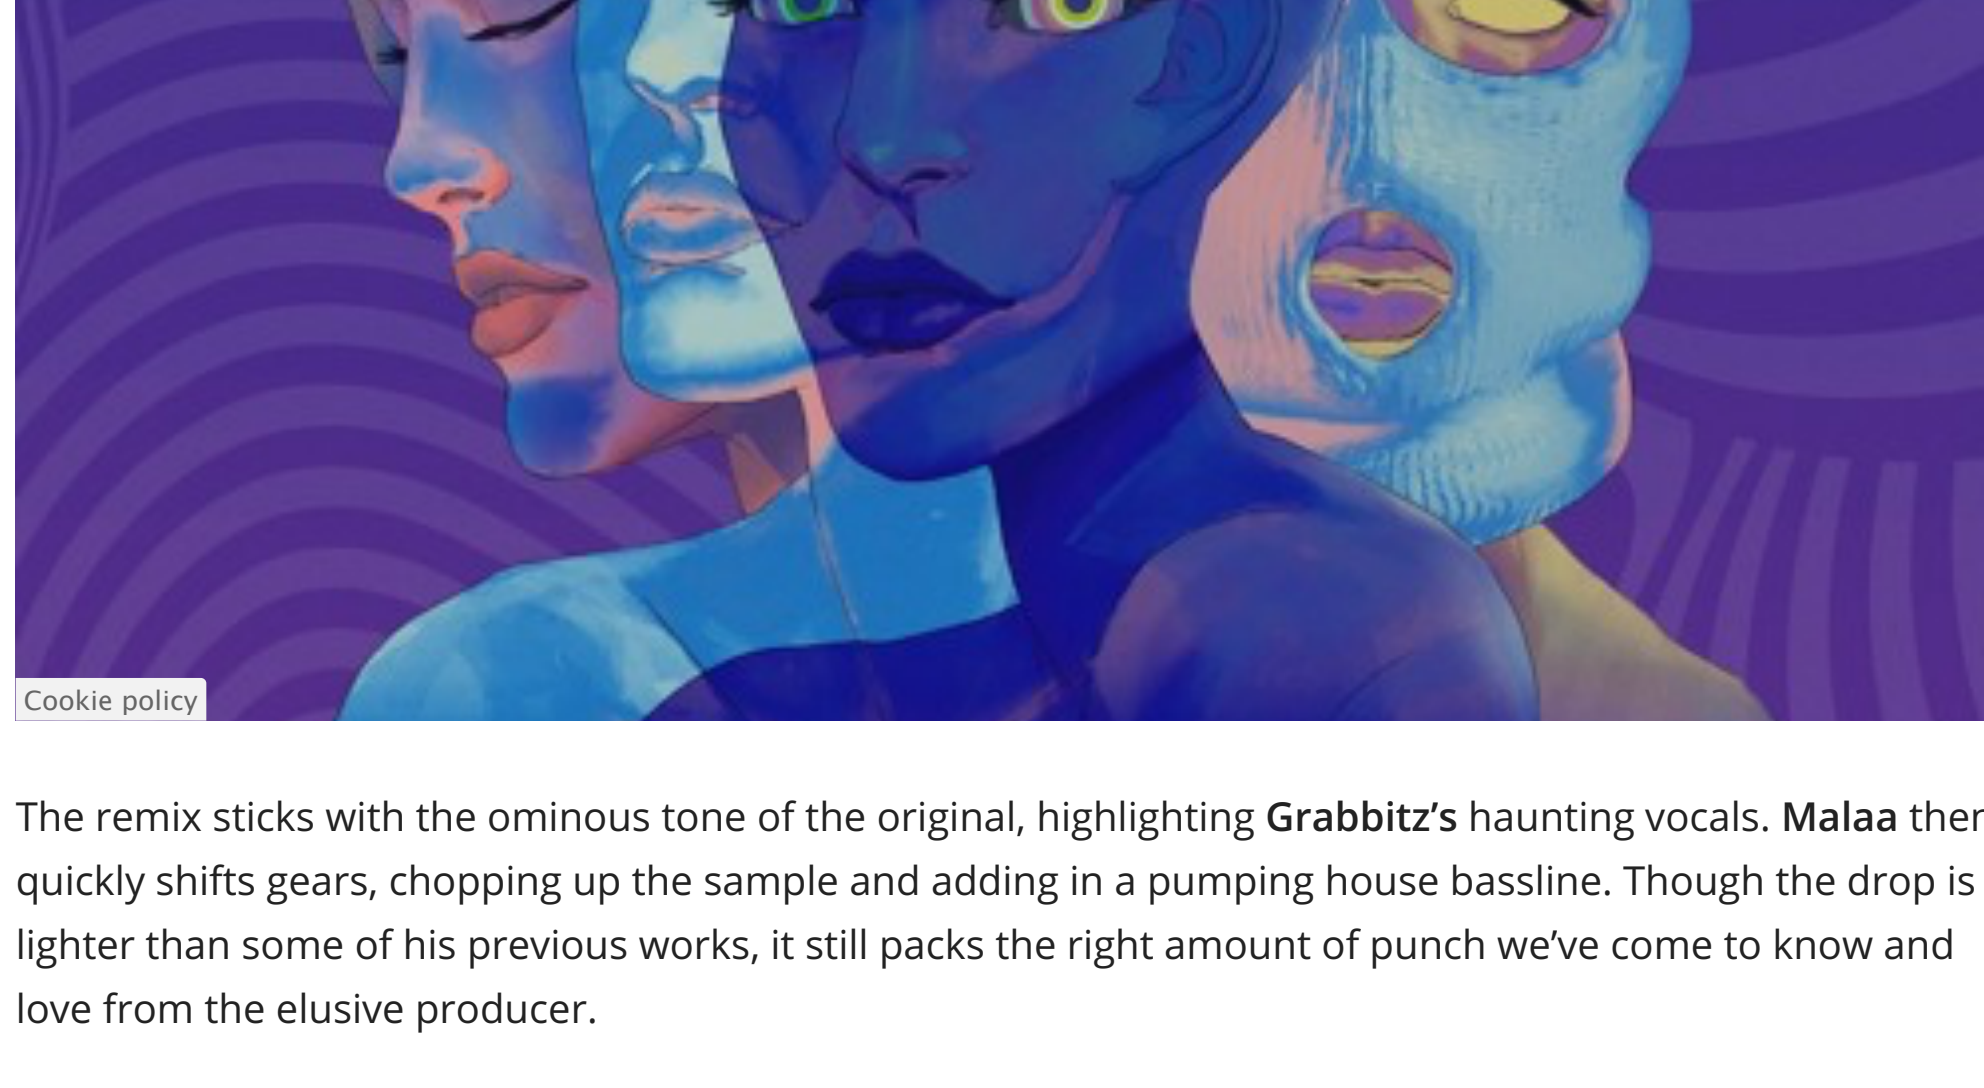

Wakaan prodigy Sully delivers that gross bass in his new single 'Duck Hummus.' Spanning just over three minutes in length, the single propels his reputation for dark, melodic dubstep as well as his status as one of the more promising up-and-coming acts in the genre.

#### 4. 'Snake Shot' - Borgore x Benda

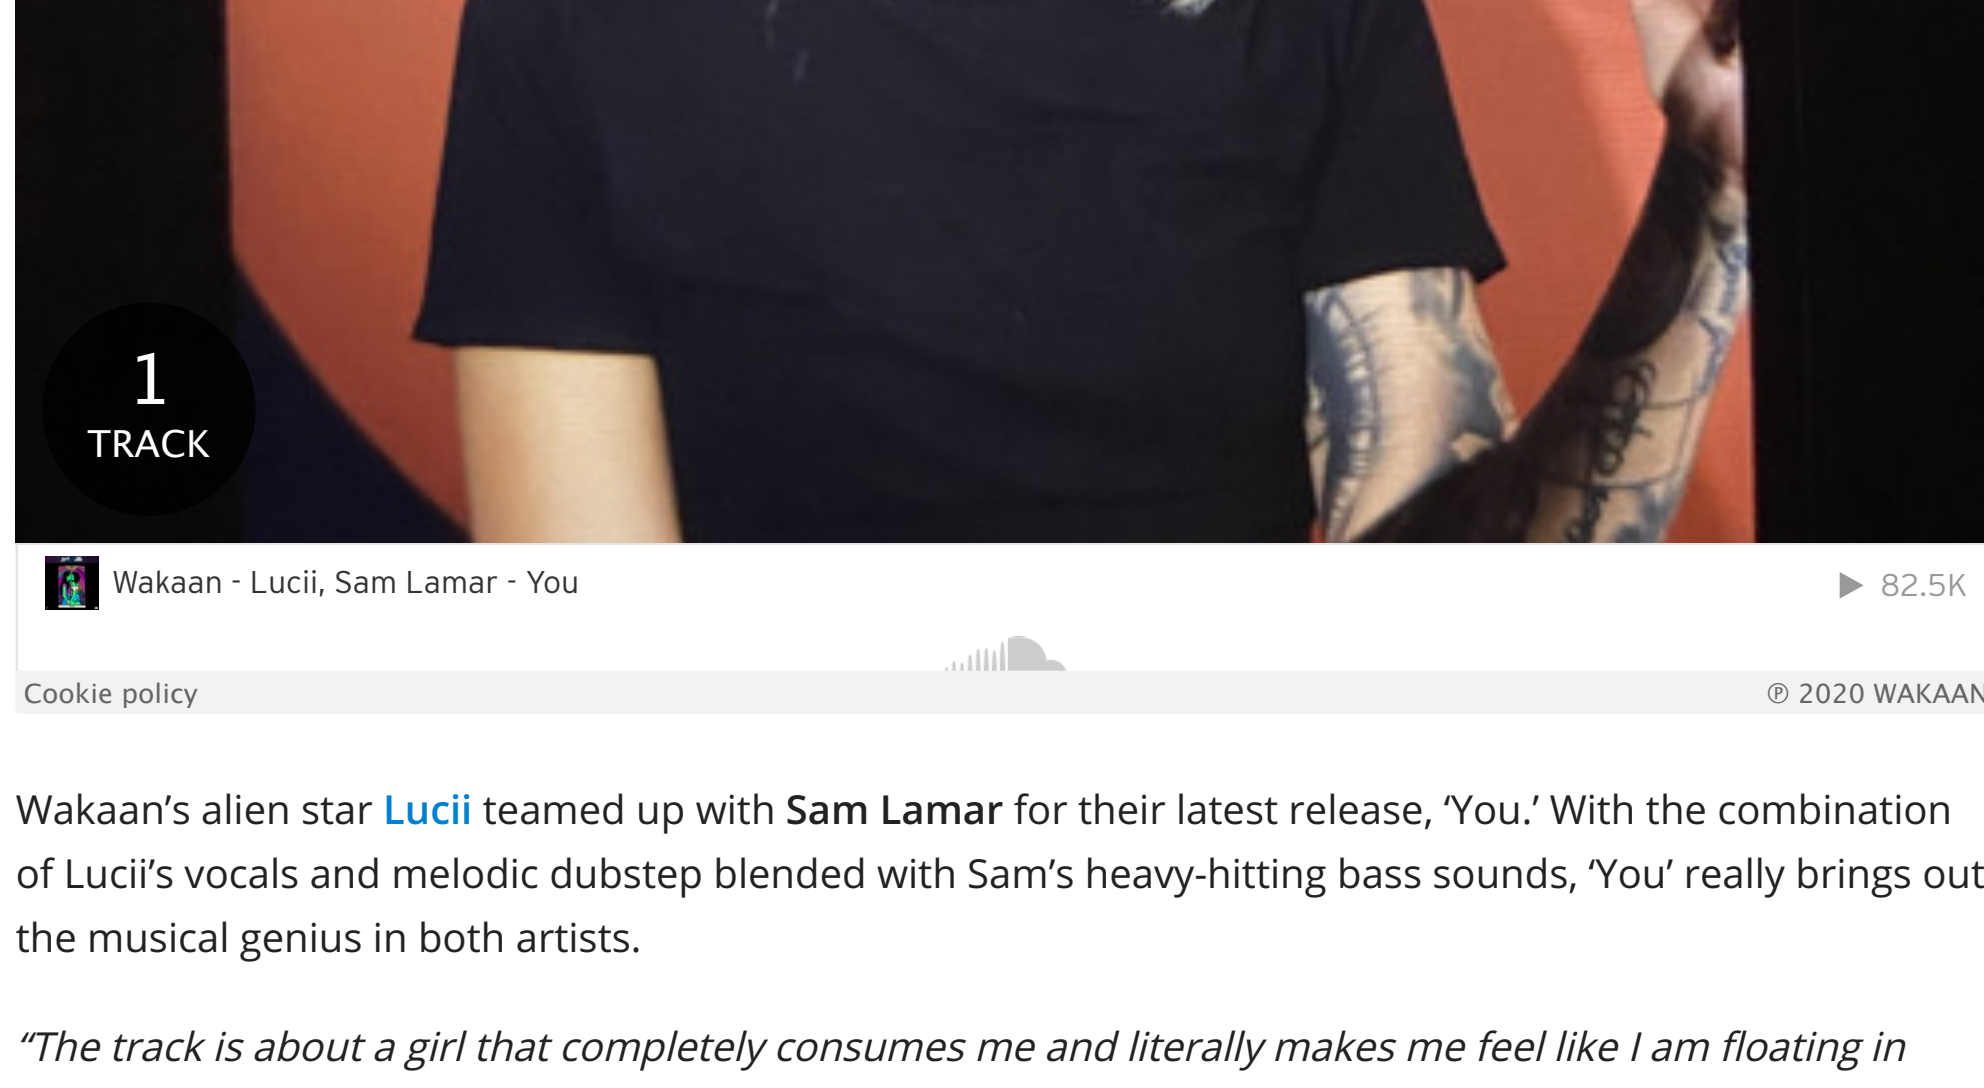

After the success of their earlier collabs 'BYD' and 'Camo Diamond Rollie,' Borgore and Benda have joined forces once again to present the ultra-dirty track, 'Snake Shot.' This track is an absolute banger. There's no doubt in our minds that this will be a crowd-pleaser when shows start back up. Looking forward to future collabs from these two.

#### 5. 'Someone Else' - REZZ x Grabbitz (Malaa Remix)

The remix sticks with the ominous tone of the original, highlighting Grabbitz's haunting vocals. Malaa then quickly shifts gears, chopping up the sample and adding in a pumping house bassline. Though the drop is lighter than some of his previous works, it still packs the right amount of punch we've come to know and love from the elusive producer.

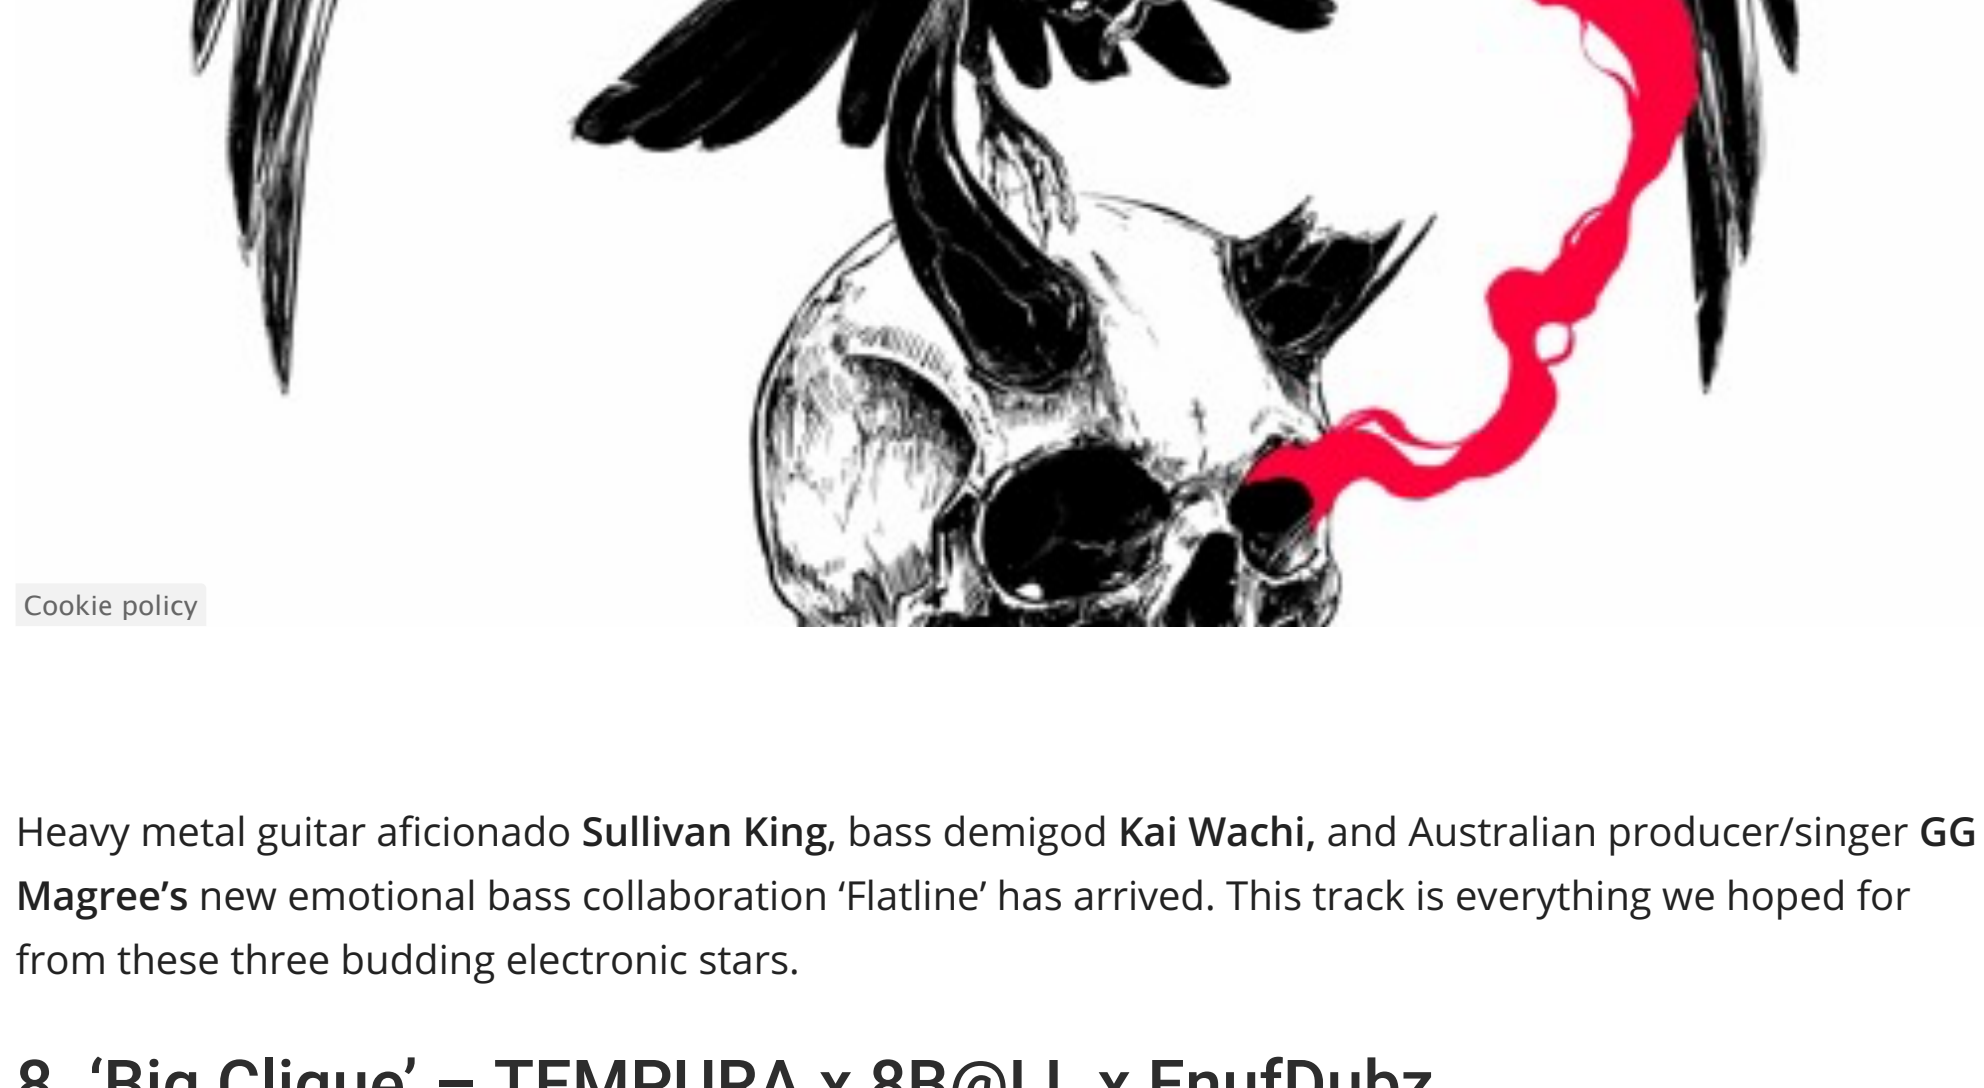

#### 6. 'You' - Lucii x Sam Lamar

Wakaan's alien star Lucii teamed up with Sam Lamar for their latest release, 'You.' With the combination of Lucii's vocals and melodic dubstep blended with Sam's heavy-hitting bass sounds, 'You' really brings out the musical genius in both artists.

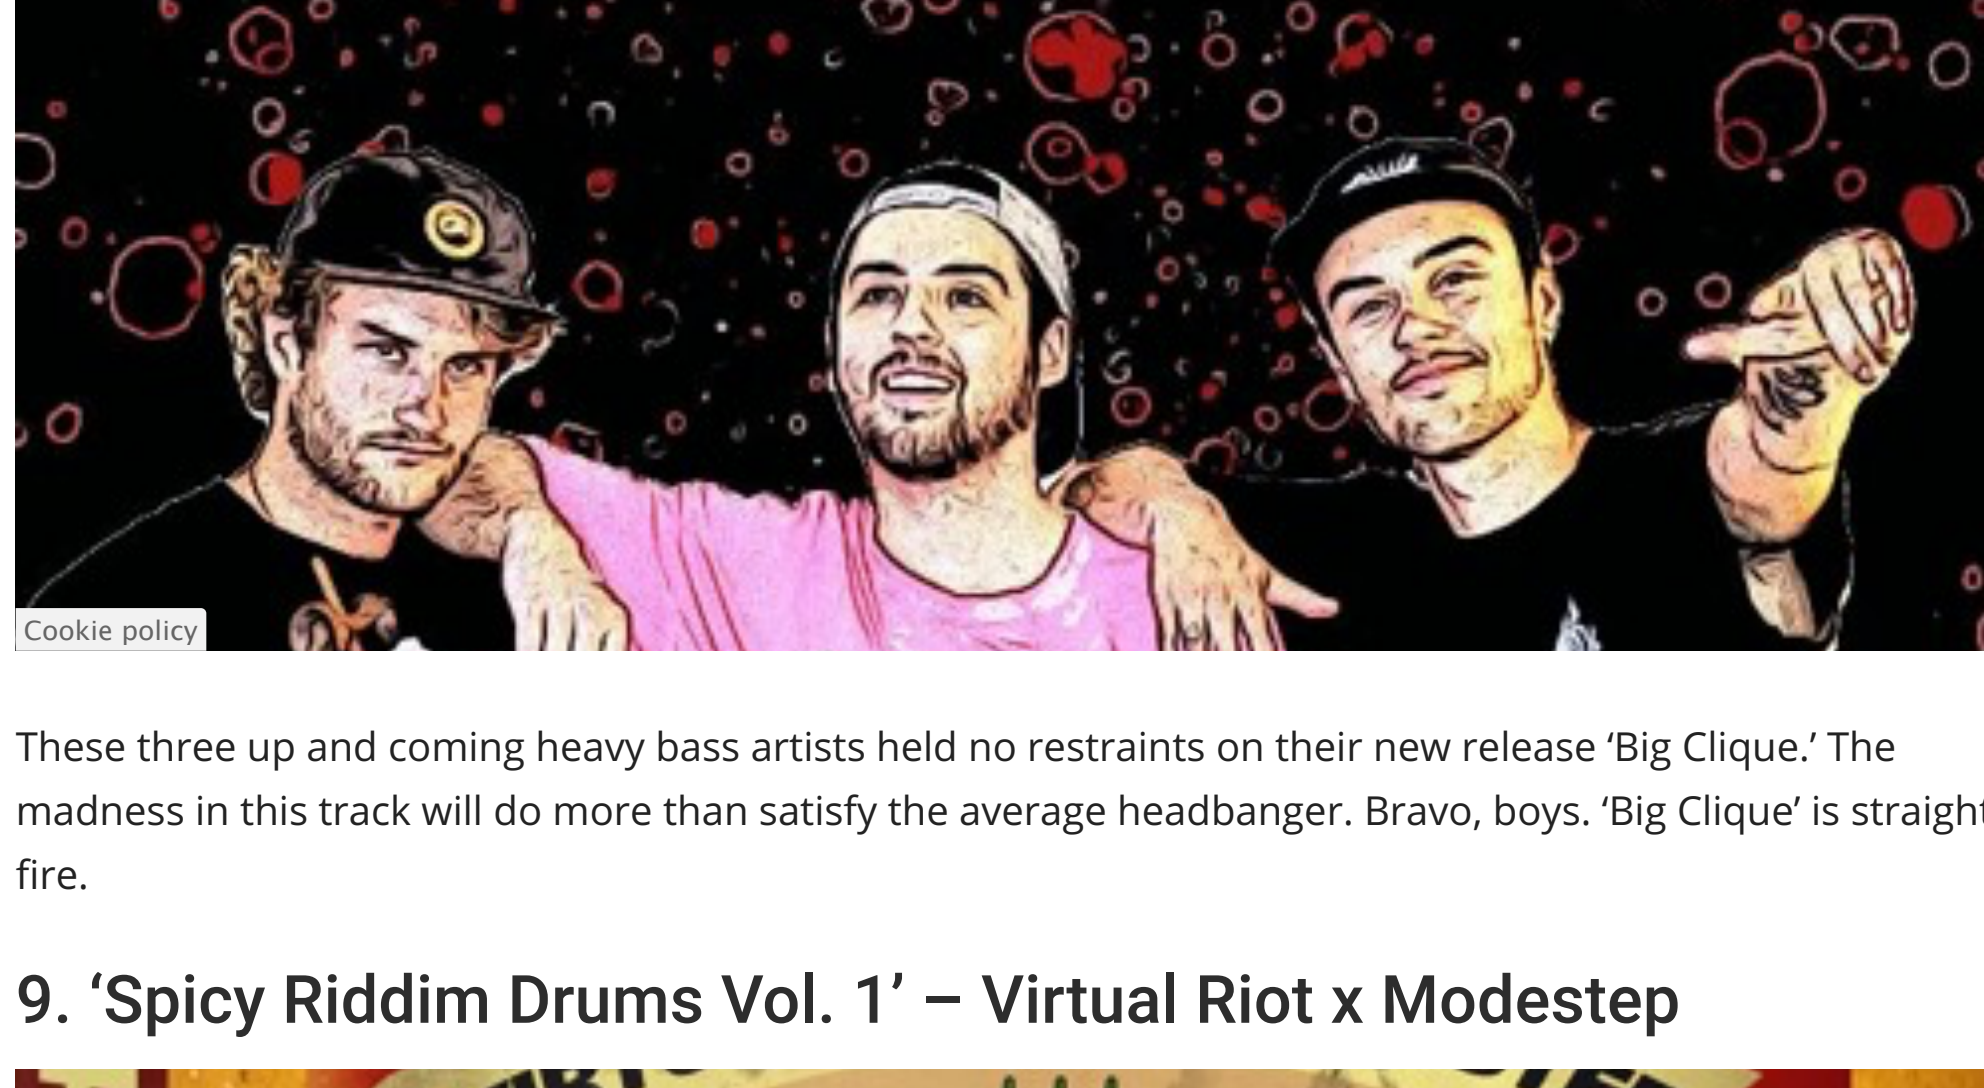

"The track is about a girl that completely consumes me and literally makes me feel like I am floating in Space," said the extraterrestrial artist Lucii on her Twitter. "You is a love song about finding your special someone."

#### 7. 'Flatline' - Sullivan King x Kai Wachi x GG MAGREE

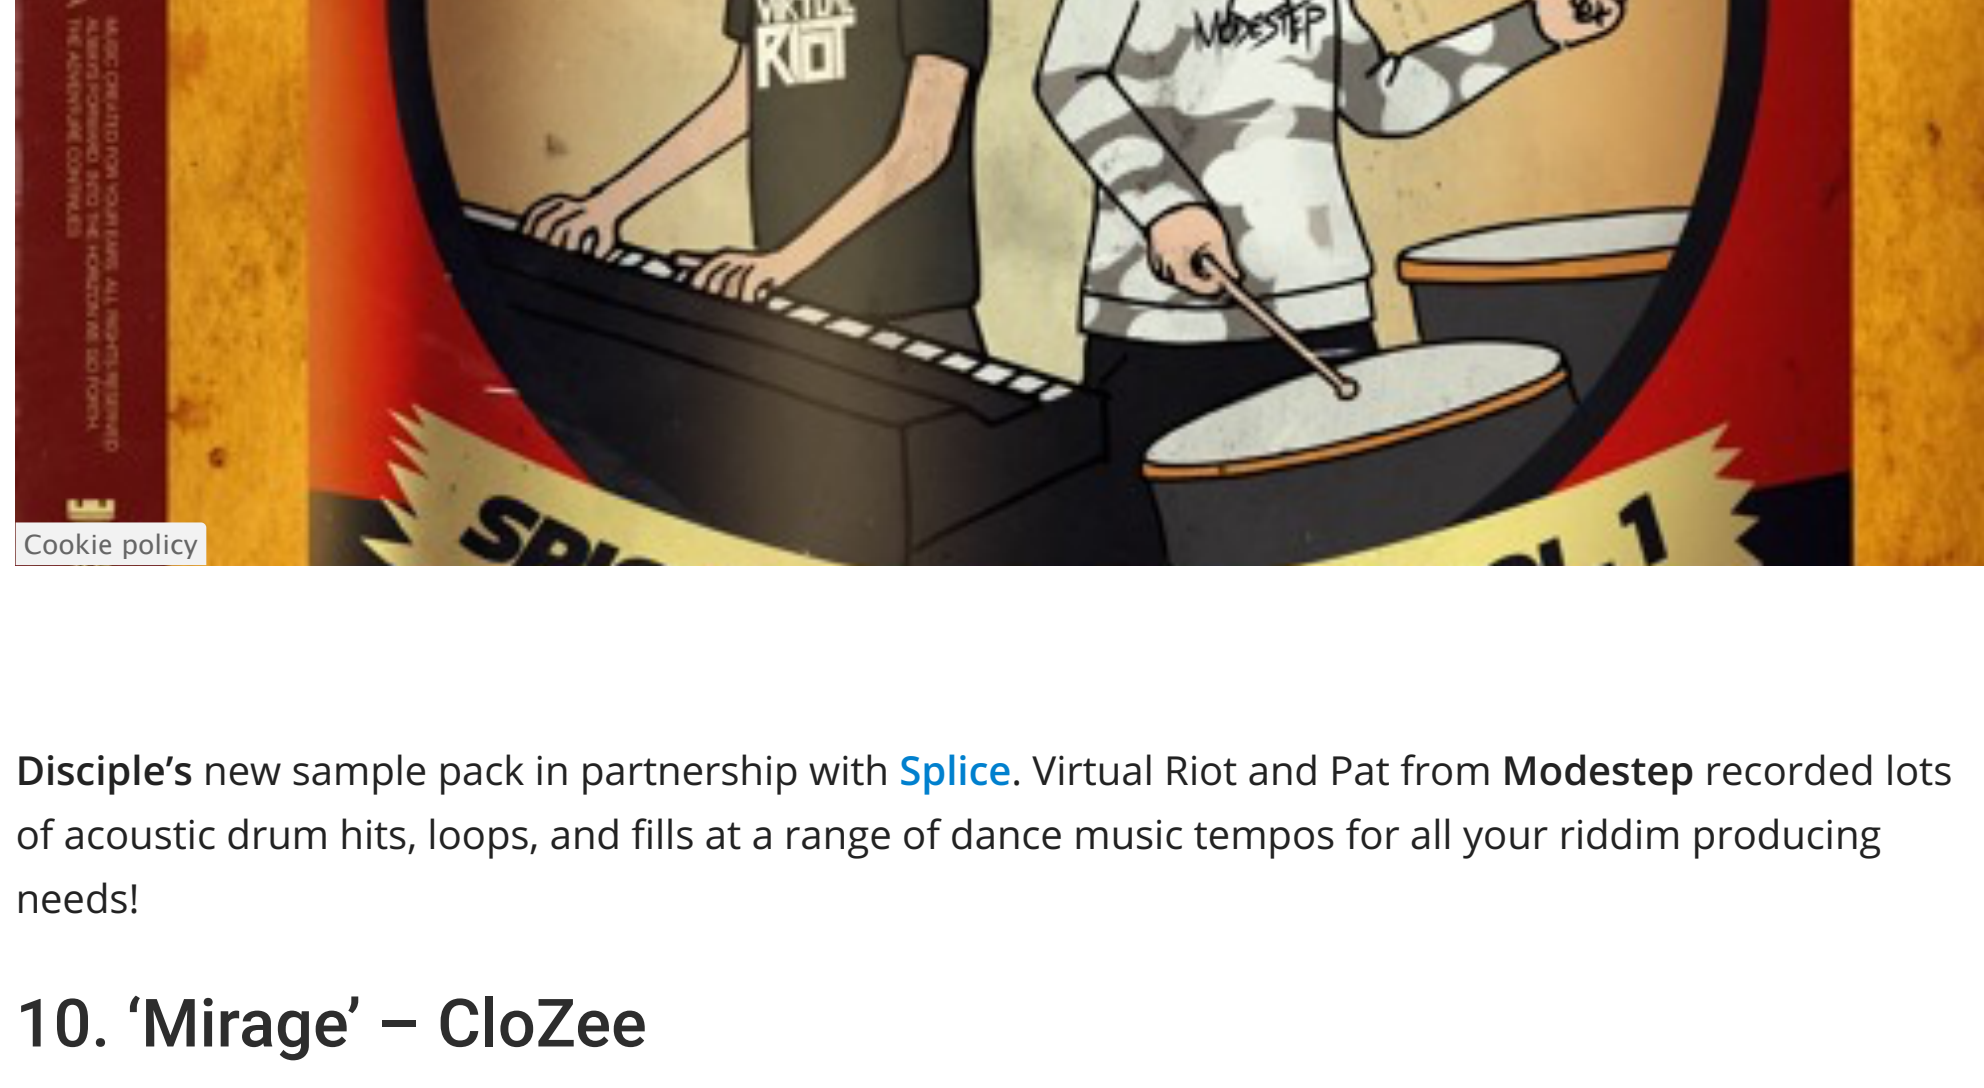

Heavy metal guitar aficionado Sullivan King, bass demigod Kai Wachi, and Australian producer/singer GG Magree's new emotional bass collaboration 'Flatline' has arrived. This track is everything we hoped for from these three budding electronic stars.

#### 8. 'Big Clique' - TEMPURA x 8B@LL x EnufDubz

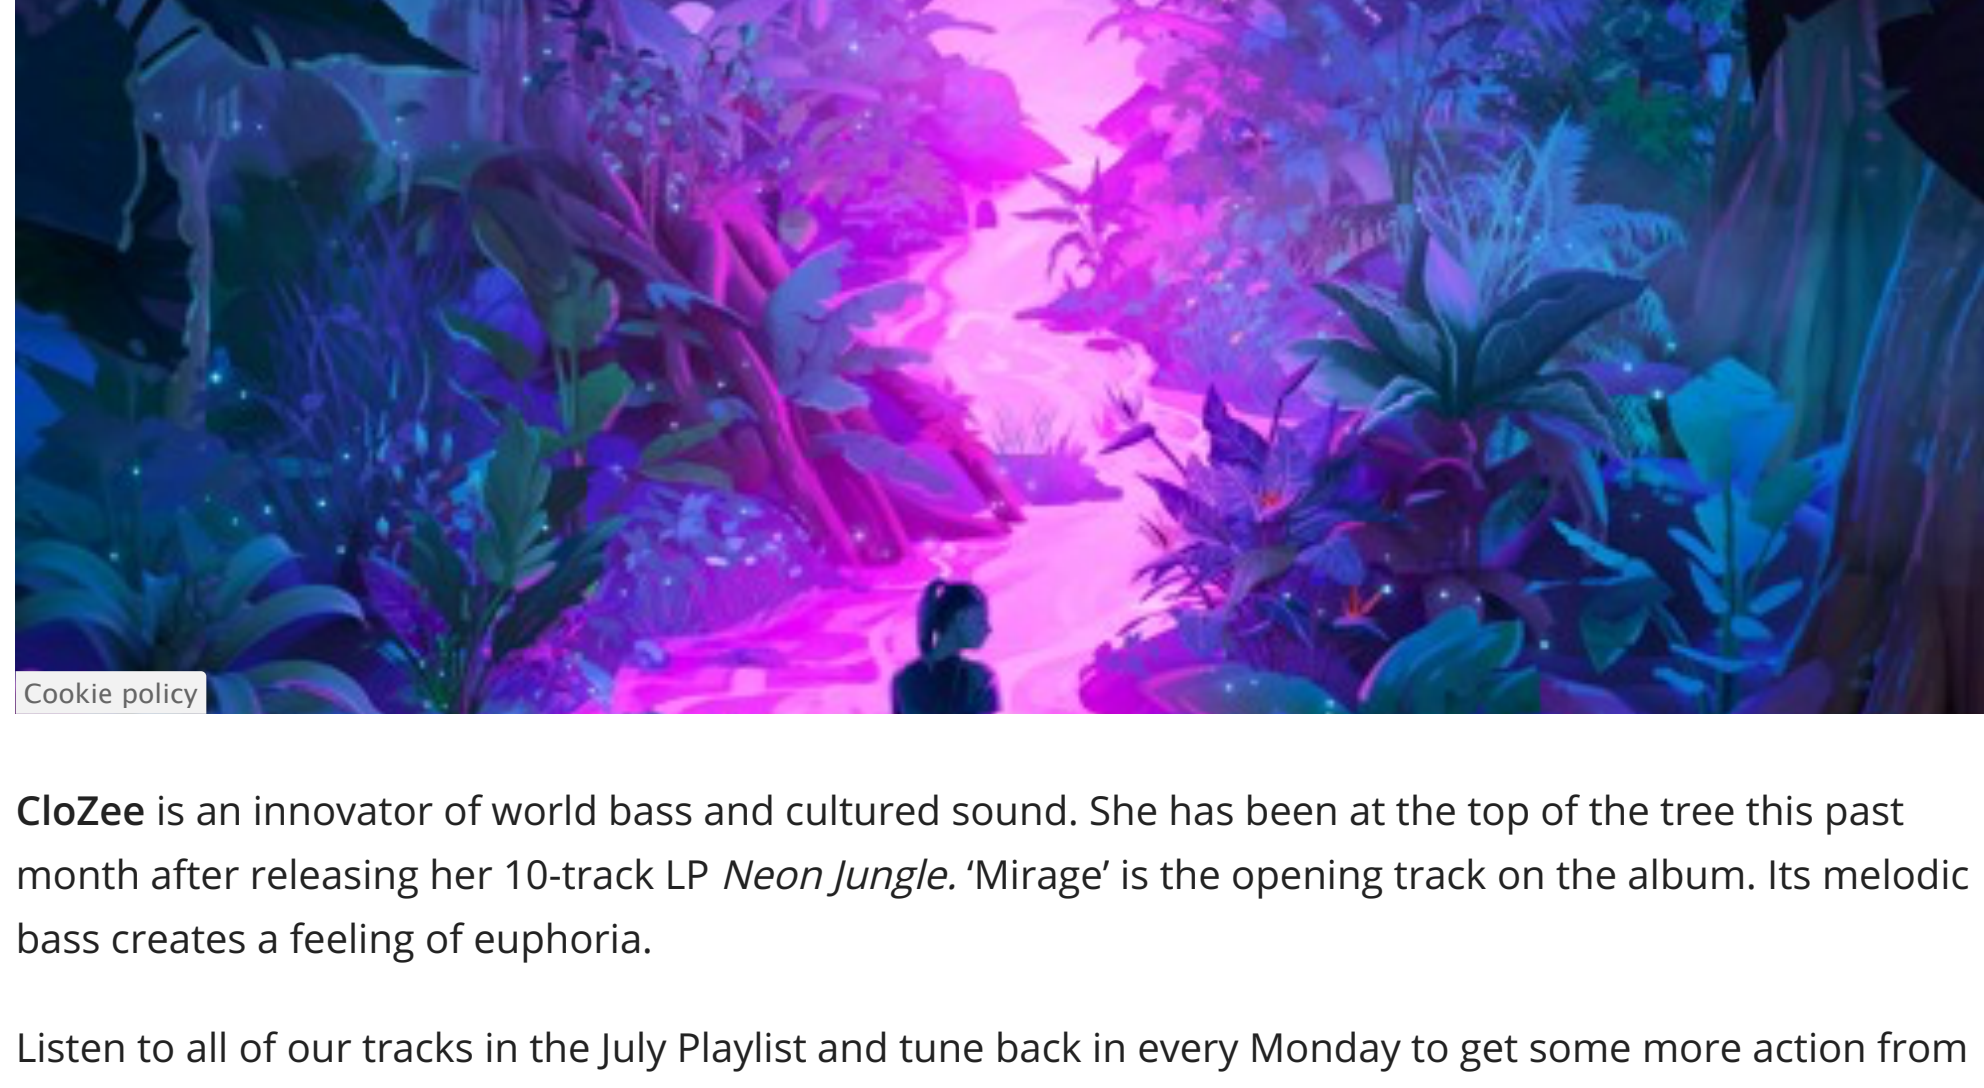

These three up and coming heavy bass artists held no restraints on their new release 'Big Clique.' The madness in this track will do more than satisfy the average headbanger. Bravo, boys, 'Big Clique' is straight fire.

#### 9. 'Spicy Riddim Drums Vol. 1' - Virtual Riot x Modestep

Disciple's new sample pack in partnership with Splice. Virtual Riot and Pat from Modestep recorded lots of acoustic drum hits, loops, and fills at a range of dance music tempos for all your riddim producing needs!

#### 10. 'Mirage' - CloZee

CloZee is an innovator of world bass and cultured sound. She has been at the top of the tree this past month after releasing her 10-track LP Neon Jungle. 'Mirage' is the opening track on the album. Its melodic bass creates a feeling of euphoria.
