Yellow Claw is jumping in to start the year off with a brand new fiery single, accompanied by a *powerful* music video. The Dutch duo introduces Indonesia's rising rapper, **Ramengvrl**, and producer, **SIHK** for their latest track 'BASSGOD'. These artists are also alongside the young Texan, **Juyen Sebulba** - creating the ultimate track.

'BASSGOD' is a representation of the *Barong Family's* finest, as it is a festival-ready single suited for rail riding and headbanging. After meeting in Thailand for various studio sessions, the four collaborated their unique efforts to perfection in 'BASSGOD'. It's evident that they drove their speakers to their limits with a mirage of skull-shattering bass.

From creating their own merch line to hosting writing camps in Asia, the *Barong Family* has proven to be more than just music. As they expand with newer and developing talents, 'BASSGOD' is a perfect demonstration of how diverse the duo is. This also proves they have a knack for scouting talent from various corners of the world.

### Yellow Claw:

Since debuting in 2015, Yellow Claw has released 4 full-length albums, granting them multiple positions on the Billboard Dance charts. With over three million monthly listeners on Spotify alone, the duo has kept themselves busy working with artists like **Tyga**, **A\$AP Ferg**, **Ty Dolla \$ign**, **Becky G**, **DJ Snake**, and many others.

### Ramengvrl:

Jakarta based **Ramengvrl** stormed onto the scene only a few short years ago. Now, she's regarded as one of South East Asia's preeminent hip-hop figures gaining nods of support from *VICE*, *1883*, *CLASH*, *DAZED*, & more. Having built her following with infectious rhymes on introductory singles she's netted over 30 million career streams across platforms.

### Juyen Sebulba:

Offering a vibrant, refreshing take on electronic music, Juyen Sebulba has attracted a lot of attention in the electronic music scene. Using a sound that is unmistakably his own, Juyen Sebulba combines the characteristics from Electro & Dutch house, Bubbling, Afrobeat, Trap music, and a hint of Latin rhythm. Juyen has also worked alongside EDM DJ/producers such as **Laidback Luke** and **Good Times Ahead**. He has also done official remixes for the likes of DJ Snake, **Boys Noize**, and **Major Lazer**.

### SIHK:

Indonesian DJ & Producer, SIHK spent his formative years bouncing between Seattle and Jakarta. His eclectic music mirrors his childhood spent astraddle two halves of the globe—thunderous bass booms underneath delicately woven melodies. Finding his ground first as a producer, SIHK worked with **Rich Brian's** breakthrough single 'Who That Be', ranking over 55 Million streams. SIHK's own sound has since been defined through EP's on Yellow Claw's own *Barong Family*.

'BASSGOD' is now available on all streaming platforms via *Barong Family*. Don't forget to check out the music video below!
